

RSA Has Exciting News.....

Rouse-Sirine Associates, Ltd. (RSA) is excited to announce the addition of several new employees. RSA has welcomed the entire staff from John E. Sirine and Associates, Ltd. (JES) effective January 1, 2019. JES has closed operations effective December 31, 2018. While the closing of JES comes with mixed emotions, the final chapter of JES legacy, allows a new chapter to begin at RSA. With the addition of the JES staff, RSA is moving into 2019 with more resources and an added abundance of survey experience to better support our clients and projects. As we make the transition, we ask that you please bear with us while we integrate the offices, and as always, please feel free to contact us at any time for any questions you may have.
