

HE DID IT AGAIN!

How many times have I planned on sharing one thing only to have Him change it at the last minute? So I titled today's message, "He Did it Again" because He just did!

The day is here! Make no mistake. Your faith has been undergoing an assault that you have never faced before! All these painful times have no other purpose but to rob you of His words. They have no other purpose but to kill your faith in Him. They have no other purpose but to destroy any trust you might have in Him. Oh yes, the enemy is gloating thinking he has kept God from moving in your life.

But today, in prayer I heard this!!!! **"IN THE MIDST OF THIS...."**

MIDST means: (1) the interior or central part or point. (2) The condition of being surrounded or beset!!!

God said....**IN THE MIDST of all this**- the enemy will soon see that he will not succeed! Whatever the challenge is standing before you, GOD's power is greater.

IN THE MIDST ... of this raging battle....God has been doing things that you will soon see.

IN THE MIDST of this mess....God says, "HOLD ON TIGHTER."
Things are going to get more interesting."

IN THE MIDST of all the doubt...God says...."NOW is not the time to doubt!"
You will overcome this.

IN THE MIDST of this upheaval...God says, "I have been changing areas within you where you have doubted ME into believing ME."

IN THE MIDST of all this waiting for Him to move... God says, "GET READY!!! YOU ARE GOING to SEE movement...."

You are going to see it!!!! Those are not my words....they are HIS WORDS....

IN THE MIDST of THIS.....Do you receive that????? That you will see that IN THE MIDST of all this....while everything has been going on....God was and is working....

He has been placing obstacles at certain points that will directly get in the enemies way to thwart the enemies plans.

Every affliction! Every oppression! Every hindering act! Whatever has come against you is going to HIT the power of GOD and will NOT be able to go past the GOD obstacles that GOD has placed their the way!!!!

You are about to see God do something incredible **IN THE MIDST of ALL THIS!**
