

Parents/Guardians,

Please help **YouthNet** continue its efforts to support the extracurricular needs of our students. Donations are graciously accepted and can be made online through *PayPal* on the YouthNet website:

sodayouthnet.org

or by check sent to:

YouthNet

P.O.Box 15

Maplewood, NJ 07040.

**Please be advised that inclement weather or teacher illness may force the cancellation of a club session for a particular day, however the club session will be made up at a later date.*

NO STUDENTS WILL BE DENIED ACCESS TO SIGNING UP FOR REASONS RELATING TO FINANCIAL NEED!!!!

How to sign up for a club:

- 1) Beginning on March 20th, pick up a permission form from the cafeteria, main office, or room 102. If you are signing up for more than one club, you should use the same permission form by circling the clubs you want to join found on the form.
- 2) Have your child bring the SIGNED permission slip & \$40 (check, PayPal or cash) for SPRING registration fee to Mr. A. Cienia in room 102 before the second club meeting. If you drop off the permission slip/payment in the main office, you run the risk of the club being filled before the permission slip makes its way to room 102. ***It is NOT a \$40 fee per club, but a single SPRING registration fee.*** Checks should be made payable to YouthNet. Please make sure to put student name on Memo of check. Paypal payments can be made on the sodayouthnet.org website. (please indicate the PayPal confirmation number on the permission slip).
- 3) Clubs signups are based on first come, first serve basis. Some clubs have roster limits and fill up fast, so please return the permission slip with the registration fee as soon as possible to secure your spot in the club. Clubs run from 3:15-4:15pm & will be dismissed from the back of the building ONLY!

Questions?? - Please contact Mr. Anthony Cienia

acienia@somsd.k12.nj.us

(unless otherwise noted by club advisor)

& run for 6 sessions

www.sodayouthnet.org

Monday

Girls Who Code—Ms. Catalano

Girls will learn about **computer science** concepts, and just as importantly, they'll learn that they have a place in the computer science community!

We provide participants with a sisterhood of supportive peers and role models, and an opportunity to use their skills to positively impact their community. This club is intended for students who identify as female regardless of gender assignment at birth or legal recognition, but is open to ALL students. Rm 103

Hoop it Up—Dr. Lash

Have dreams of being the next LeBron James or Candice Parker? Train and learn the skills of the pros to help you take those dreams closer to reality! Gymnasium

Spectrum Club - Ms. Steiner

Spectrum Club is an all-inclusive group for LGBTQ students and their allies. Whether you are lesbian, gay, bisexual, transgender, pansexual, questioning, or anything else under the LGBTQ alphabet soup, Spectrum has something for you! Hang out with students that are supportive, nonjudgmental, and lit while eating goodies and being awesome. Guidance Office/TBA

Wiffle Ball Club - Mr. A. Cicienia

Pitch like Jacob Degrom! Hit like Aaron Judge! Field like Mookie Betts! Come learn the fundamentals of the popular backyard classic! Rm 102/Cameron Park

Wednesday

Fade to Black Photography Club—Ms. Karis

Love taking pictures and selfies? Take it to the next level at the *Fade to Black Photography Club*. Learn camera techniques and experience creativity with photography and composition. We will take a look at the technique of experienced Instagram photographers (and others). Members will have multiple opportunities to practice techniques and develop their own unique style. Finally, we will seek opportunities for publication of our work. No special equipment necessary (just bring your phone)! Rm 238

SOMS Playwrights—Ms. Laviola

Students will have the opportunity to create, write, rehearse and perform original works. If students would like to present materials, they can choose from staged readings or performances. Performances will occur in the spring (May). Students from the club can perform or work backstage crew (lights, curtains, set pieces, costumes, etc.) - Little Theater

Road Runners—Ms. Rowe

READY? SET! GO! If you are looking to build your endurance, increase your stride and speed, and build your confidence then this club is for YOU. Come and train with us to improve your skills on the track! No prior experience needed! Rm 242/Outside

Board Game Design - Mr. Ezzo

Love board games and tabletop games? Learn to design and build your own! Students will also create strategies to market games, learn about supply and demand, how to create clear and concise instructions and how pricing works. Rm 285

Thursday

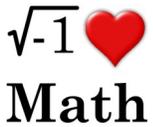

Fitness—Mr. Smalls

Ready to get in shape? Increase your heart rate, pump up your muscles and increase your knowledge of nutrition while working out with a trainer. Fitness Room

Math Support! - Ms. Hannen

Math is tough, but you are tougher! Come get extra support in Math and work to improve skills, complete homework, review quizzes, and prepare for upcoming assignments. Room 395

Get your Kicks" Soccer"—Ms. Hart-Ruderman

Life's a soccer ball. Can you kick it? Increase your soccer skills by showing off your moves and learning some new ones! Are you ready to take on your classmates in and be the ultimate soccer champ?! Gymnasium/Cameron Field

Green Team —Ms. Abella

Discover the natural world in your own backyard! We will work on the SOMS' courtyard, and create an indoor garden. The club's activities change with the weather. This club will build a community of like-minded, diverse individuals who are interested in ecology, and/or anything else dealing with life and the outdoors. Rm 122/Courtyard

Friday

Game Room—Mr. Cicienia

Come improve your skills and compete against others in pool, ping pong, knock-hockey, other classic table games. This session will also offer Dungeons and Dragons to those who are interested to learn and/or play. Room 107

Club Entrepreneur—Mr. Gregory

Come learn the foundation of our nation's economy entrepreneurship. Students will have an opportunity to learn the basics of owning and operating their own small business. In addition, Club Entrepreneur promotes important life skills such as, critical thinking, problem solving and communication. Rm 348
