ABOUT THE EVENT

The dynamics of Indian Process Industry segments of Fertilizer, Food and Pharmaceuticals are now creating a notable impact on the national scenario and with the demand for new projects, expansions and modernization. All round efforts of the Public Sector and Private sector enterprises are showing clear signs of growth. This second wave of growth is well-positioned because of unprecedented Automation technologies being adopted by these industry domains to move quickly and catch the rising levels of global technology trends.

This Fertilizer Symposium is being conducted by ISA Delhi since last Three years in succession. This year we have expanded our horizons by including the domains of connected/similar industries of Food Processing and Pharmaceuticals which equally receives the benefits of latest advancements in automation and instrumentation technology in the Process Plants.

The event gives opportunities to explore the best practices in Batch Processing and Continuous Processing projects being managed by Indian and global leaders who are dealing with the evolving Control and Instrumentation requirements.

Don't miss your opportunity to collaborate with industry visionaries as well as technology pioneers at this new Hybrid industry event and hear the experts' views on the latest automation trends in Food, Pharma and Fertilizer industries in India.

Top 5 Reasons to Attend

- **PARTICIPATE** in World-class training opportunities by Industry leaders
- **DEVELOP** Insight from real-world examples and Industry best practices.
- **ADVANCE** your knowledge with thought-provoking keynote Sessions.
- **GAIN** a unique understanding of Automation and emerging Technologies trends by sharing information across Industries.
- **EXPLORE** solutions to Business problems through Supplier exhibits.

Who Should Attend

Management	Service Providers
IT/OT Professionals	Engineering Students
Plant Operators	System Design Engineers
Instrument Technicians	Project Managers
Maintenance Personnel	Supply Chain Management
Engineers	EPC Companies
Integrators	LSTK Suppliers
Consultants	Equipment Manufacturers
Automation Suppliers	Component Manufacturers

Program Schedule

Time	Company Name	Activity	
08:30 - 09:30		Registration of Delegates	
09:30 – 09:35	IFFCO /EIL /HURL/NFL/ RFCL/ HTAS	Lamp Lighting by Dignitaries

SESSION - I			
12:00 – 13:30	Company Name	Topic	Presenter
	Yara Fertilisers	Implementation of Safety Integrity Level (SIL)	Mr. Amit Chauhan Mr. Arindam Samanta
	HURL	Process Optimisation using Smart Automation	Ms. Shuchi Tripathi
	Nestle	Case Study from Food Industry	Mr. Harjot Singh
	CSIR-CFTRI	Smart Automation of Food Safety and Quality Assurance	Dr. Alok Kumar Srivastava
	Centrient Pharma	Automation in Pharma and cGMP Environments	Mr. Ramesh Walia
13:30 - 14:30	SMART QUIZ & Lunch Break		
SESSION - II			
14:30 – 16:15	Company	Topics	Presenter
	Phoenix Contact	Role of Data Analytics & IIOT in Industrial Automation for Fertilizer, Food & Pharma industry	Mr. Karsten Uhlendorff
	Emerson	Unleash the power of Digital Tools in existing Fertilizer, Food and Pharma plants	Ms. Khushbu Chaplot
	Fluor	Data-Centric Execution – Focused Future	Mr. Sheikh R Manihar Ahmed Mr. Arun Ven
	ECGiT Private Limited	Sensors to ERP Integration to Drive Efficiency Accuracy & Optimization	Mr. Shankaranarayanan Alagesan
	Pyrotech	Latest Innovations in Control Room Video wall technology and trends from DLP rear projection to Seamless Fine pitch LED video wall	Mr. Kuldeep Singh Rathore
	McDermott	Collative Correlation on Functional Safety Life Cycle	Mr. M. Ulaganathan
	SMART QUIZ		
16:15 - 17:00	CERT-In	Hands on Workshop “Cyber Security incident management - table top exercise”	Mr. S.S.Sharma
17:00 – 17:15		Thanks Address and Felicitation	
17:15 - 17:30		High Tea – Networking Session
