Vice President's Message

The weather has been beautiful. Hope you are getting those little birds out on the road and going to car shows or just taking them out for a drive looking at the beautiful fall foliage.

Before you know it, it will be time to put them to sleep for the long winters night.

Last weekend we went on our annual fall cruise. We took a ride up to Peekskill, NY and then took a boat ride up the Hudson River. It was fantastic. The boat was nice, food was good, water calm and most important club members who attended were great. Hope all who went had a good time. Thanks Mike Perillo for putting together another great cruise.

A report on Pat. He had his surgery.

Operation went well. He had a few rough days but thinking positive thoughts and starting to feel better. He has a long road to recovery. Prayers do help. George Gayet needing prayers. All else seem to be doing ok, thank god.

Time to talk about Christmas party. Sunday, December 7th, 3:00 - 8:00. Elks Lodge, Howard Blvd., Mt. Arlington, NJ (same venue as last year). Same DJ, Cocktail hour 3:00 - 4:00-4:4:30, Dinner 5:00 - 5:30. After dinner - dancing, visit from Santa and Mrs. Claus, raffle and more dancing. Please bring an unwrapped gift for toys for tots that Donna Jesse and Pat will be taking care of this year. Guaranteed a good time. Please send your check to me or Steve Handy no later than Monday, Nov. 24th.

I am also looking for pictures from some members who I have notified various times.

Please get me the pictures ASAP. would prefer recent ones, please. It is important that I have them before the next meeting!!!

Hope your Halloween was fun, safe and somehow you got a lot of candy☐☐☐

Happy Thanksgiving.

Remember to turn your clocks back on November 2nd.

See you soon, Arlene

Fall Cruise

It was a lovely day for a cruise in our cars.

Typical Fall weather, a crisp, sunny day.

While members started from different locations, we all made our way to Peekskill NY - some via the interstate, some through the back roads and parks of NJ and NY. If you like twisty turny roads, the NY roads to Peekskill NY are the way to go. Everyone arrived on time and we were able to commiserate before boarding the Emerald Princess for the water part of our cruise. We had 12 Tbirds attending, 11 early birds. The ride on the ship was nice and calm. The foliage was starting to turn. Good food and drinks and plenty of it if you wanted to go back for seconds, with a good variety. Being Fall, there was not much activity on the river and only saw a few other boats.

After the we landed, some headed to a local ice cream shop to finish off a great trip.

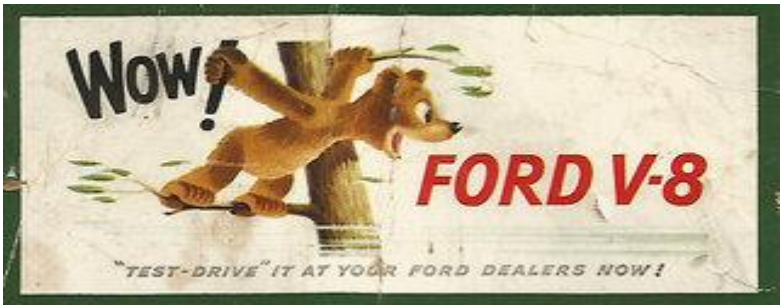

Many thanks to Mike and Theresa for setting up the trip

CONVERTIBLE TOP ZIPPER LUBE

In an edition of Boating magazine they discussed the issue of zipper lube. They recommend simple candle wax or crayon for zipper lubricants and snaps, additionally they also recommend a commercially available lubricant from a company called "Starbrite" Snap and Zipper Lubricant, which comes in clear form. This has been the same recommendation from this magazine for the past 10 years or so. Vaseline also helps as well as beeswax for an even smoother and longer lasting and less greasy!

AIR CLEANER CORK

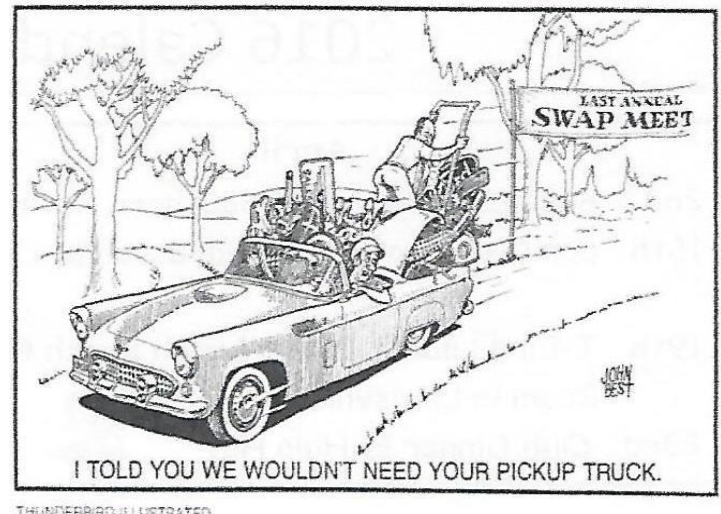

To prevent your **NEW** air cleaner cork from looking like the one pictured Remove the old cork from the channel - DO NOT remove the original staples.. Clean the old cork out. Cut 3/8 inch off the **BOTTOM** of the new cork then notch the new cork at the staple locations. Then slide the new cork in the channel. This way if you ever want to change the cork again all you have to do is slide it out. Will look original and not mess up the under hood paint, If you decide to make new staples, they are easy to make using paper clips and a pair of pliers.

Hershey PA AACAA Fall Meet

Fall Meet took place from Oct 6 to Oct 10th, 2025. It was huge with two enormous fields of car parts, auto memorabilia and flea market items. In addition AACAA (Antique Automobile Club of America) headquarters is located in Hershey, Pa.. They have a fabulous research library (we were able to see follow club member Tom Mirro's name on the Thunderbird Trophy see picture) and there is a separate museum to visit as well. Both worth the trip. The show ends with the awards banquet where Mike Parillo received a First Junior Award, Donna Jessie was upgraded to a Senior Award and Tom Mirro received an additional Preservation Award! Donna
