

# Village of Millerton

Dutchess County New York

**JANUARY 2015**

The Village of Millerton, located within the Town of Northeast, is considered one of Dutchess County's most vibrant communities. The Village has a rich cultural heritage making it a premier place to live, work and visit.

## Message from the Mayor

Hello Everyone,

I hope the holidays treated you well. Welcome to the Village of Millerton's first Newsletter. I thought it would be nice to keep you informed on village affairs and help you with getting to know the people who work for you. Ensuring that the people of Millerton get the most for their money is very important to me and I think that the village will continue to prosper if we stay out of the way of progress. My philosophy is not to control every aspect of what happens within the village, as I believe the real power stems from the people, not the government.

## Thank you

Dear Mr. Funk,

The Village of Millerton Board of Trustees would like to extend our sincere gratitude for the very generous donation of the Storage Container for use in our recreation department. It will be nice to be able to store the equipment that the children in our community use in a place that is both secure and attractive looking.

We are grateful to have local business owners such as you who go out of their way to benefit the community. Please know that the container will be greatly appreciated for years to come by both the Village and its residents.

Sincerely,

Mayor Martin Markonic

Dear Peter Greenough & Christine Bates,

The Village of Millerton Board of Trustees would like to extend our sincere gratitude for the very generous donation of the tree which you purchased and donated to the Village. It will be an attractive addition to Village Hall. Please know that the tree will be greatly appreciated for years to come by both the Village and its residents.

Sincerely,

Mayor Martin Markonic

Dear Mr. Winters,

The Village of Millerton has been a member of the New York Rural Water Association for many years. We have been very fortunate to work with someone like yourself who is knowledgeable, professional, and expedient.

The Mayor, Board of Trustees, and Highway Supervisor would like to extend our sincere gratitude for assisting us in finding multiple water leaks throughout our system this past year. With your support we were able to repair numerous leaks swiftly. Just two (2) weeks ago you assisted the village with locating a large leak, allowing our crews to repair the water main quickly, resulting in saving thousands of gallons of water.

Your dedication helps keep our community safe and save tax dollars. Your continued help and guidance is an invaluable resource to our water system.

Sincerely,

Mayor Martin Markonic

Dear Townscape,

The Village of Millerton Board of Trustees would like to extend our sincere gratitude for all the work you have completed throughout the Village in 2014. From the benches on Main Street, the landscaping of Veteran's Park, to the new signs entering the Village.

The benches you installed in Veterans Park are an attractive addition to the Village. They were highlighted by the vibrant landscaping you and your volunteers planted. The new signs at each entrance to the Village bring a renewed vigor to the village. The signed you installed at the intersection of Rt. 44 and Rt. 22 is well lit and gives great direction to visitors. These new additions will be greatly appreciated for years to come by its residents.

Townscape and the many Volunteers highlighted some of the village's beauty with the white lights and subtle holiday decorations. The Village is its own "White Christmas".

Sincerely,

Mayor Martin Markonic
