Breast Cancer Benefit shoot at the trap range scheduled for 10/21/17. We already have \$2,000.00 in sponsors, T-shirts for all participants, a few small raffle prizes and we expect 40 plus shooters.

During the October Pita we experienced with one trap house and the voice calls. Problem thought to be due to Cal\_Net upgrade but was found to a PG&E brownout. Everything now working.

Marshall made a motion to purchase a Charter Arms Pink .38 revolver for the breast cancer shoot to be raffled. After discussion it was determined that we did not have sufficient time and the motion was not approved. Possible for next years shoot.

Published the 501C letter on the web site. Waiting for similar state approval/

Dave Verry made a motion with second by Jim Peet to purchase gun scorer and a PT Dueling tree for the lower ranges. Discussion and questions answered. Motion for approximately \$500.00 Approved.

Letty to look into getting generic business cards for the club with a mini map on the back with the club location.

Thanks to John Spencer for doing the web site it looks great.
