## Holley Navarre Intermediate Odyssey of the Mind Animal House Team 2017-2018

Our Odyssey of the Mind Balsa Wood Team Placed 3<sup>rd</sup> at the State Competition in Orlando this weekend, and received the highest honor of the Odyssey of the Mind Competition, the Renatra Fusca Award, for their exceptional creativity. This award granted them the opportunity to compete at the World Finals in Iowa this May- and that is no small task. To put it in perspective - there were a total of 820 teams across the state of Florida that competed regionally. 263 of those teams advanced to the State Tournament, and now only 31 of the Florida teams are advancing to World Finals. We are the only team representing the Emerald Coast Region (Pan Handle) at the World Competition.
