

Be Aware vs. Beware

Be aware of
life's opportunities;
beware of
its temptations.

Be aware of
the goodness
around you;
beware of
the evil.

Be aware of
graciousness
and kindness;
beware of
malevolence.

Be aware of
openness and
generosity;
beware of
selfishness.

Be aware of
sanity and
wholesomeness;
beware of
the sickness of soul.

Be aware of
the dove of peace;
beware of
the dog of aggression.

Be aware of
friendship and
companionship;
beware of
manipulation.

Be aware of
profundity
and fullness;
beware of
superficiality.

Be aware of
thoroughness;
beware of
slipshod performance.

Be aware of
honesty and truth;
beware of
prevarication.

Finally,
lead your life
aware of
the presence of God,
and beware of
your absence from Him.
