

Protect Your Real Estate with Unmatched Financial Power.

At Chicago Title, the security of our title insurance policyholders is our top priority. Together with our parent company, Fidelity National Financial, Inc. (FNF), we are the clear industry leader in all measures of financial strength. This unmatched financial power offers you the protection you need in the event that ownership of your property is ever challenged.

When measuring financial strength, Chicago Title and the FNF family of companies outdistance all other title competitors. A title company's strength can be seen in its Core Claims Reserves. As of September 30, 2017, the FNF family of title companies has \$1.5 billion of Claims Reserves, far more than any other competitor in the industry. It is of vital concern to homeowners when it comes to measuring such reserves, as your future claims depends on them. Choose a title company that you can depend on, for many years to come.

Let Chicago Title protect you from future claims, or future losses of title, due to the defects created by past events. Your Homeowner's title insurance policy should remain in effect as long as you, or your heirs, retain an interest in the property. Chicago Title brings you the peace of mind knowing that your investment is a safe one.

Our financial strength says it all.
