Office Policies and Informed Consent

For Child & Adolescent Assessment

OFFICE POLICIES AND INFORMED CONSENT

Welcome and thank you for entrusting Great Life Counseling Center (GLCC) with your care! This document contains important information about our professional services, business practices, and it will serve as a therapeutic contract. Please read it carefully and jot down any questions you would like to discuss.

THE ASSESSMENT PROCESS

Assessment includes a clinical interview, review of records, testing, and a feedback session. The testing process involves the administration of measures that examine areas such as intellectual functioning, academic aptitude, memory, attention, and emotional functioning. Great Life Counseling Center clinicians will choose measures that are best suited to address a client's presenting questions and concerns. As a result, the length of testing is variable, and testing may be spread over several testing sessions to ensure optimal testing conditions. During the feedback session, clients will have the opportunity to review test results with the clinician and to ask any questions they may have. In addition to verbal feedback, clients receive a written report consisting of background information, test results, and recommendations. The assessment report is typically provided to clients within two to three weeks after testing has been completed, assuming that there are no outstanding balances.

OUTSIDE-OF-SESSION COMMUNICATION & EMERGENCY PROCEDURES/POLICIES:

- Telephone, text, & email consultations between office visits are welcome. However, any contact outside of session will be kept brief. Clients and their legal guardians are encouraged to consider scheduling additional sessions or waiting until their next session to discuss matters that will take more than 15 minutes to explore. If out-of-session correspondence requires more than 15 minutes of the psychologist's time, charges for each 15 minute increment will incur (including the first 15 minutes). Payment for such consultations is due at the start of the next session or within 10 business days (whichever occurs first).
- **Clients and their legal guardians are welcome to transmit voicemail, email, or text messages to their psychologist/clinician but these communications must remain brief (i.e., not requiring more than 15 minutes of therapist's time to review & respond) or charges will incur**. On weekends and holidays, messages are checked less frequently. Calls, texts, & emails will generally be responded to within 24 hours or by the end of the next business day.
- **Great Life Counseling Center's contact number is *not* an emergency number. In the event of a mental health or medical crisis, please call 911 or one of the following crisis lines, which are available 24/7:**
  - Suicide & Crisis Center of North Dallas – **214-828-1000**
  - National Suicide Prevention Lifeline – **1-800-273-TALK**
  - National Domestic Violence Hotline – **1-800-799-SAFE**
  - National Sexual Assault Hotline – **1-800-656-HOPE**
  - If your crisis is due to a medical issue or medication, contact your physician or psychiatrist.
- Vacation: Clients & their guardians are informed in advance whenever their psychologist plans to be unavailable for more than 2 business days. In these events, arrangements may be made for coverage, if the psychologist determines it is necessary or it is requested by the client or client's guardian. Otherwise, clients & their guardians are encouraged to utilize one of the crisis lines listed above for assistance in the absence of their GLCC clinician.

CONFIDENTIALITY:

In most cases (see "Exceptions to Confidentiality" below) communications between client and psychologist will be held in strict confidence - unless client provides psychologist with written permission to release information about treatment or there is an imminent safety threat.
