by Body-Solid

LED Display Console

Our new advanced LED console combines the latest technology in commercial treadmills with a user friendly, simplistic design. A large dot matrix display features feedback for Time, Distance, Calories, Pace, Speed, Avg Speed, Incline, Pulse, Avg HR, Mets. Programs are Manual, Hill, Fat Burn, Cardio, Calorie, Interval, Strength, 5K run, 10K run, 2 Custom, 2 HRC, Fitness Test (Gerkin Protocol).

T100 Commercial Treadmill

The Endurance T100 Treadmill includes the features and technology necessary to keep up with the needs of today's runners. A durable multi-ply belt offers comfort and reduces impact from each foot strike; and large, 3" rollers have more belt contact for a more fluid, quiet motion. The powerful 3.0 HP continuous duty motor features the ENDURO Motor Filtration System to cool and clean the motor, ensuring a longer life. The Enduro Flex Cushioning Deck has an innovative design that allows users to have a comfortable and quiet workout while reducing impact up to 40%. This 1" reversible, Double sided Phenolic Deck is wax lubricated to help eliminate stress on the motor.

Dimensions: 84"L x 35"W x 60.25"H
