This Month's Program

Our speaker for the Wednesday, February 14th will be someone I believe most of us already know; Rich Tauber. This champion angler will have an abundance of knowledge to share with us.

February 2018 President's Message

February Meeting is 1st SWAP MEET meeting of 2018
Bring in your extra gear (no guns), to buy, sell or with your fellow anglers. If you have gear or items gathering dust now is an opportunity to sell or trade with your fellow club members.
2018 Free Fishing Dates in California

Free fishing dates in California will be July 7 and September 1, 2018. On these dates no fishing licenses are required. Other regulations such as limits in size and number of fish caught will be enforced.

Well 2018 has begun! Our charter schedules have been posted and signups are well under way. We have booked a variety of weekend as requested by the membership and now is the time to fill them. On **April 1, 2018** I will open the trips to non-members via our Facebook page and the Turners Stores, so now is the time to sign up for your trips!

It is early in the year, so I have not heard of too many people fishing but when you do, please send in your pictures and write a short story for the newsletter. Remember our **FUNNY PICTURE** contest. The funniest picture presented during the year wins a prize. Remember you must turn in your pictures for Whopper Board within three months. If you cannot make a meeting, get the picture(s) to me or Warren so they can be entered please.

Fred Hall is in Long Beach at the Long Beach Convention Center March 7-11, 2018 and the Pacific Coast Sportfishing Boat, Travel Show and Tackle Show is February 16-18 @018 at the Orange County Fairgrounds in Costa Mesa. CCA is offering free admission for renewal (I hope everyone is already a member) and could use volunteers. I know a lot of members either work or volunteer at the show. The monies collected at the banquet will be given to the Friends of Rollo at the Fred Hall Show. I will be there most likely splitting my time between CCA, Fishing in the City and Dan Hernandez Youth Foundation, if he makes the show this year, as he had back surgery.

I hope to post the Fishing in the City Schedule as well as the Dan Hernandez Youth Foundation Kids fishing dates in the next few newsletters. I'm hoping members will bring kids fishing or volunteer at some of these events. They are an excellent way to introduce kids to fishing and after they are over, an excellent way to get a nice sized catfish or trout, depending on the stocking for that event. Our member Laura Jones, a Recreation Manager at Whittier Narrows aka Legg Lake has an overnight camping fishing event. I will post the dates once I have them.

We have a full schedule planned this year and I hope members and their families will make as many events fresh and saltwater as possible. Have a good year and see you on the water soon!

Meetings are held the second Wednesday of the month at Mimi's Restaurant in Monrovia. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. And please be generous in your tip. We are not the easiest group to work.

2018 Membership Drive

The 2018 Membership Drive is on!!!!

Sam will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2018 are the same as last year: \$45 for an individual and \$60 for a family membership.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2018, your 2017 membership card is void. In order to receive the discount, a current 2018 membership card will be required. All store managers are aware of this and there are **NO EXCEPTIONS**.

Loser Bucket Raffle

The tickets that are left in the monthly raffle bucket every month are carefully saved every month. They go into the "Loser Bucket" because after all they are all losers. Then 1 ticket was drawn from the 2017 loser bucket at the January Meeting. Sgt at Arms Jose Dominguez drew the lucky ticket. Winner of the Freshwater Rod was Atticus Ige. If you're wondering why you haven't seen him at a general meeting it is because he is in his second year of college at USC. Mom & Dad took the rod home to Atticus.

Fishing Friends

Joe Jones, one of our new members was out lobster fishing 3 times but complained of poor results. He did report a variety of bass and sculpin caught.

Don Merrill fished a trip with Tom Lee also fishing. He said they fished 1.5 day on the Aztec. Don said it was hard fishing but got 5 BFT and 6 YT.

Laura Jones was able to get out on the New Del Mar and was proud of her nice rockfish.

Ok Folks, this newsletter needs your photos and articles every month. We know you are out there fishing, so tell us about it.
