THANKS FOR HELPING THE PTO

The VAS/PTO would like to thank students and their families that sold items for their fund-raiser and everyone that made a purchase. The PTO raised over \$1,400. Austin Woodworth was the top seller in the 7th-12th grades and he won an iPad. All students that sold in K-6th received prizes based on what they sold.

On November 15, the PTO had a successful bake sale. Many delicious items were donated by PTO members, VAS staff and families that support VAS/PTO.

The PTO sponsors many activities for VAS students including the Halloween Carnival, Santa's Secret Shop and Field Day at the end of the school year.
