Visit Ireland on this customized nursing program. Located off the north-western coast of the European mainland in Western Europe, you will have a chance to explore both Dublin and Cork. A place of gorgeous natural beauty and its equally charming locals, they have a dynamic cultural history and strong sense of community.

Program Highlights

- 7 nights / 9-day journey through Ireland
- **Learn about Ireland’s Implementation of a nursing professional practice model** in healthcare settings. Prominent in the model is the use of NANDA-I nursing diagnosis.
- **Interact with nurses and other healthcare professionals** from a variety of facilities on your program.
- **Accompanying guest program** – alternate activities will be provided for those who do not wish to attend the meetings.
- Optional post-program **extension to County Clare & Limerick.**

Focus on Nursing & Nursing Education

- Meaningful interaction and collaboration between program participants and professionals in Ireland will include meetings and seminars with **nursing professionals and educators at major universities and hospitals** in Dublin and Cork.
- Travel will focus on learning how **NNN (NANDA-I nursing diagnosis, Nursing Outcomes Classification, and Nursing Interventions Classifications)** has been integrated into educational and healthcare settings in Ireland. **Speak with educators and clinicians** to understand how the terminologies are taught and integrated into practice, providing a model to consider upon return to your own educational or clinical setting.

Focus on the Community & Culture

- Explore some of the iconic sites of Ireland, including **Blarney Castle** and **Woolen Mills**, as well as the **Ring of Kerry.**
- Put on your dancing shoes for a visit to **O’Shea’s Merchant Pub** where you can learn Irish dancing with the local people (or just observe) as well as enjoy their traditional music.
- Dine on fantastic cuisine at some of the most engaging **local pubs!**
