2021-2022

Happy Holidays!!

We hope the holidays and the new year are happy and joyous times for everyone. Wishing all of our staff, students, parents and supporters a healthy, happy and amazing 2022!

Letter From the Executive Director...

December, 2021

Dear Families and Friends,

It's my pleasure to reach to all of you and wish you a happy and healthy holiday season on behalf of all of us at The Hagedorn Little Village School, *Jack Joel Center for Special Children* (HLVS)!

This year has certainly been full of challenges for all of us. We have learned to adapt to an ever-shifting landscape of health concerns, regulations, and guidelines. Yet through it all, our students have continued to thrive. I have been amazed and exceptionally grateful to watch what our staff has accomplished! They have continued to compassionately provide our students and families with the critical therapies and education that has defined HLVS for more than 50 years. Often this has meant embracing new technology, collaborating with families, and adapting as necessary to meet each of our students' individual needs.

As we move forward in this second year of the pandemic, we are fortunate to enjoy the support of so many of our community members. The modifications, supplies, and ongoing services that we have embraced to make HLVS as safe as possible has come at a considerable expense. Fortunately, we continue to benefit from the extraordinary network of community members, Parent Association, Committee Members, and our of course our Board of Directors. Your generosity and support has been invaluable during this period.

This year, we have kicked off our annual Holiday Appeal with our second Giving Tuesday virtual program. If you were not able to view this when it debuted on 11/30/21, please visit our website to view. This year, we are hoping to raise enough funds to enhance the school's playground—specifically our "Great Lawn". The great lawn is a fenced in grassy area used for adaptive physical education and general fun and games during gym and play time. We plan to replace the existing grass surface with a soft and safe artificial grass turf that will be weather resistant and maintenance free allowing the children continuous use. We welcome any donations which can be made via the enclosed donation envelope addressed to the school, QR code, "text-to-give" or a link to our website; all of which can be found within this newsletter.

Thank you for taking the time to read our newsletter and to learn what our amazing students and dedicated staff are up to at HLVS! We hope you and your families enjoy a safe and joyful holiday, and a happy New Year!

Kind Regards,

A handwritten signature in dark ink, appearing to read "Jon Feingold, Ph.D.", written in a cursive style.

50th Anniversary Virtual Gala!

Little Village held its first ever Virtual Gala and it was a smashing success! Thanks to everyone who sponsored the event, our planning committee, our celebrity host **Joe Piscopo**, our keynote speaker Ed Miller and our two Board of Trustee Members **Doug Bausch** and **Trish McCarthy** who spoke live.

We hope you can join us at next year's Gala in person!

See Page 8 for details on our 2022 Golden Rule Award Dinner at the Heritage Club at Bethpage on Thursday March 10th!

Edward D. Miller

Little Village's Original Golden Rule Award Recipient and Long Time Supporter Passes Away

It is with much sadness that we share that **Edward D. Miller**, a long time supporter and valued advisor to Little Village has passed away. Ed was Little Village's original Golden Rule Award recipient in 1989. Ed continued his generous support of Little Village throughout the years and was most recently the keynote speaker at our Gala celebrating 50 years. Our deepest sympathies go out to Ed's wife **Carole** as well as his entire family.

Ed was the former President and Chief Executive Officer of AXA Financial, Inc., where he held such positions from August 1997 through May 2001. During that time, he also served as Chairman and Chief Executive Officer of AXA Financial, Inc.'s principal subsidiary, AXA Client Solutions, and as a director of AXA Financial, Equitable Life, Alliance Capital and Donaldson, Lufkin & Jenrette. He also served as a member of the supervisory board and as a senior advisor to the Chief Executive of AXA Group from June 2001 through April 2003. Prior to joining AXA Financial, Mr. Miller enjoyed a successful 35-year career in banking. Mr. Miller began his banking career at Manufacturers Hanover Trust, where he garnered increasing responsibility and recognition. In 1988, he was named Vice Chairman, a position he held until 1991, when the company merged with Chemical Bank. Three years later, he was elected President. In 1996, upon the merger with Chase Manhattan, he became Senior Vice Chairman. While at Chase, Mr. Miller directed two of the largest financial services combinations in history at the time — the successful mergers of The Chase Manhattan Corporation and Chemical Bank and of Chemical Bank and Manufacturers Hanover Trust.

HLVS Parent Association

Little Village would like to thank our outgoing PA Board members (pictured on left) who have done such an amazing job and also welcome in the new 2021-2022 board!

Graduation 2021

Holiday Appeal 2021

Wishing all of our students, families, friends and supporters
a joyous and healthy holiday season!

The holiday season is always very special at Little Village. 2021 has been a very difficult and trying year for everyone including Little Village! Won't you consider helping our special children reach for the stars this holiday season by remembering Little Village? Your generosity is appreciated in countless ways by our students and their families who depend on your support.

Enclosed in this newsletter is a donation envelope to fill out and return. You can also donate in several other ways: by scanning the QR code below to the right, by texting **GIVEHLVS** to **516-744-8150**, or by visiting our website at www.littlevillage.org and look for the red 'donate now' button.

This year, the focus of our **Holiday Appeal** and **Giving Tuesday** will be to enhance the school's playground — specifically our "**Great Lawn**". The great lawn is a fenced in grassy area used for adaptive physical education and general fun and games during gym and play time. We hope to replace the existing grass surface with a soft and safe artificial grass turf that will be weather resistant and maintenance free allowing the children continuous use.

2021 Golf Outing

On Monday June 14th, Little Village held its 29th Annual Golf Outing. Due to incredibly high demand and support for our school, golf was held at both the **Cold Spring Country Club** and the **Nissequogue Golf Club**. After a great day of golf, all golfers and dinner guests joined together at Cold Spring for an awesome cocktail hour, dinner and live auction!

Little Village was thrilled to present this year's *Drew Wiedhorn Humanitarian Award* to **Doug Solow**. Doug is a very deserving recipient and worked tirelessly with our Golf Committee to make this event our biggest and most successful golf outing ever. Congratulations and thank you Doug!

The day was a great success and everyone at Little Village appreciates the support of our golfers, sponsors and donors!

Little Village Board of Trustee Member Appointed to New York State Judgeship

We are very proud to announce that one of our Board of Trustee Members and Alumnus Parent was recently appointed to the New York State Court of Claims sitting in Supreme Court, Bronx County.

Pictured on the right is the **Honorable Alicia Gerez**.

Little Village Principal Patti Pizza Recognized By United Way

Little Village was proud to announce that **Patti Pizza**, Little Village's Principal, was selected as a United Way's Wall of Heroes recipient. The United Way honored "heroes who have brought optimism into our lives in a year that has been extraordinarily challenging. These deserving heroes have shown acts of kindness, courage and care, ultimately making a positive impact on our lives. This includes champions from healthcare, retail, restaurant, non-profit, food grocery, public service, education, small businesses, labor unions, and more."

Patti (center) with the children and staff from Room 8

From the United Way website:

Patti Pizza serves as the Principal for The Hagedorn Little Village School, Jack Joel Center for Special Children (HLVS). HLVS is a not-for-profit school that has been providing critical special education and therapies to children and families with developmental disabilities on Long Island for over 50 years. Patti has been with HLVS for more than 40 of those years, compassionately serving thousands of students and parents, and mentoring staff members to do the same.

Patti has always been a "hero" to families and staff within the special needs communities. However the past year has spotlighted how truly special she is to HLVS. During the pandemic, Patti worked every day and night to ensure that our students received the services that they so desperately needed whether remotely or in-person. She researched alternative modalities and technologies, guided our staff, helped to draft and implement safety protocols, and made herself available 24/7 to respond to any issues or concerns that arose. Patti has been, and continues to be, a true hero!!

Thank You For Your Support!
