

Perimeter
Safety Rail

- Guard Rail for Eave Perimeter
- Mounts to the bin wall
- Can attach to every stiffener on 3 stiffened tanks and every other on 2 stiffened tanks
- On a 3 stiffened tank you can retrofit without entering the bin.
- 1 section travels 4 bolt spaces or 37.5"
- Adjustable for eave overhangs from flush mount to 9 inches
- Toe kick allows roof trash to wash away
- 1 1/2" tube handrail with formed ends makes a secure and stable grip
