Peter discussed the fact that we should buy a 3-month CD since our bank account has an ample amount in it. Motion passed.

Old Business: the Ray Ezinga shoot was not completed this year as Ken Wee couldn't run it but will next year.

Canopies are working out great at the regular shoots and a good idea.

Two (2) workdays were completed to paint and seal the shed. The shed looks very good!

Open Discussion: Amanda Allee announced that Joslyn placed for the 4-H National Muzzleloaders Shoot in which she will be competing next June in Nebraska.
