2018 SUMMER CAMPS

## June 4<sup>th</sup> – June 22<sup>nd</sup> God’s Promise – Bible Camp

Kick off the summer with an exploration of the Bible, beginning with the **Story of Creation**. Campers will learn foundational lessons such as God creating the heavens and the Earth, Noah and the flood, God’s promise to Abraham, Daniel in the lion’s den, and more. We will delve into a scripture-packed course through Bible Studies, Worship and drama, ‘craftivities’, games, chapel and more. Campers will continue building on developmental milestones through scripture memorization, sensory activities and art, all expanding on each new Bible story. This camp is designed to encourage campers to learn Biblical truths about God and their relationship with Him.

## June 25<sup>th</sup>-July 20<sup>th</sup> Super Hero’s – Math and Science Workshop

Who knew that math could be so much fun? “Super Hero Camp” will leverage our *Learning Without Tears* Numbers and Math curriculum, as we blast off on super hero adventures. We will focus on fine motor skills, gross motor skills, problem solving, counting, sorting and more. Additionally, campers will experience and participate in numbers and operations, patterns, and geometry through science experiments like sinking soda, hopping corn, spinning disc illusions, and floating ping-pong balls. While expanding our math and science acumen, campers will grow to understand that super heroes have wisdom, power and courage, all of which are bestowed upon them from God. **(Closed the week of July 4<sup>th</sup>)**

## July 23<sup>rd</sup>-Aug 10<sup>th</sup> Exploring the World of Jan Brett – Reading & Handwriting

Let’s have some fun exploring the books of Jan Brett while improving our reading skills at the same time! This camp kicks off by reading “*Noah’s Ark*,” as campers learn how Noah obeyed God without question, all the while expanding their knowledge of God’s amazing creatures that Noah brought with him. We continue our exploration with: “The Mitten”, “The Hat”, “The Umbrella”, and “Armadillo Rodeo”, all of which bring animals to life through the warmth and humor of Jan Brett. This camp includes hands-on art activities, games and chapel every day. **NOTE: Our four and five year olds will work on their reading skills utilizing our *Learning Without Tears* curriculum, and multi-sensory techniques.**
