

GOSPEL ACCORDING TO GLOBALISTS

The purpose of this illustration is to present an example of the overt Predictive Programming that occurs with the Luciferian Globalist depiction of their version of the End Times or Eschatology. This example is taken from the 3 Mural Panels or tiles framed in the lobby of the corporate headquarters of the Bank of America BOA in Charlotte, North Carolina in the USA. This headquarters serves as 1 of the main financial hubs essentially for all the Americas or the Western Hemisphere. Most may not realize but the Bank of America used to be called the Bank of Italy. And as such, it was one of the main channels for money laundering for the Bank of the Vatican. The BOA corporate buildings are also enveloped in the Luciferian esoteric dimension of Sacred Numbers as in this case with 666. If one observes carefully, the corporate BOA building in Houston, Texas, for example is masked as the 3 Great Pyramids of Giza fused together by differences in height. This is depicted by the 3 Murals Panels in the lobby of the corporate office of the Bank of America headquarters in Charlotte, North Carolina, USA. Thus, the Gospel According to the Globalists. Why this title? It is understood that the Bible teaches that the abdication of Adam and Eve's authority, power and dominion in the Garden of Eden, was capitulating and was transferred to Lucifer who now rules over the Earth and its government. They chose to believe Lucifer's lie through deception and as a consequence, the world governments, for one have been under his power.
