

# Why HOPS?

## Fall - Winter

HOPS is a great way to get to know you classroom students; their strengths and needs. A nice "back-to- school" event.

## Winter - Spring

A GREAT prep for test taking. After the winter break HOPS helps to get the students "back on track". No matter how often they are told how important reading is when taking a test, HOPS helps to show them first hand - not after the test is done and then it is too late! The student teams have 4 chances to see how to improve "on the spot" between each challenge and see how careful reading comprehension does make a difference! Several of our schools have HoPS Events during this time.

## Spring

Schools often have us during this time for their end of year educational field trips! **SEVERAL OF OUR SCHOOLS HAVE HOPS EVENTS TWICE A YEAR.** These schools love to have us a second time and they have seen such an improvement in their students' skills from the fall.

**We never bring the same set of challenges. Each time we bring 4 different activities.**

## FUNDING FOR YOUR EVENT

We have found that some schools find funding by using Title One funds, School Improvement funds, or have a local organization help sponsor the event's cost.

Then there are schools that have the PTO help out if the students cannot cover the cost.

## CONTACT US TO SET UP AN EVENT FOR YOU

No matter when in the year you want HoPS at your school, it's not too early to plan a date! Please send your date(s), approximately how many students and grade levels and we will get back with you.

*Remember from the time the date is set with us there is a three week turnaround time for processing for the date of the event(s).*

We are setting our calendar for the year so please let us know as soon as possible so you will be able to get your chosen date(s).

Be sure to check out our Facebook & Website for info and last year's pictures. We hope to hear from you soon.

Sincerely,  
Dan & Adel Locke
