Boca Raton Class "C" Tournament

We will have a Class C (our schools only) tournament on Saturday, February 22, beginning at noon. This is a great opportunity to practice for larger tournaments. It's also a chance to show your friends and relatives what you've been learning, so be sure to invite them!

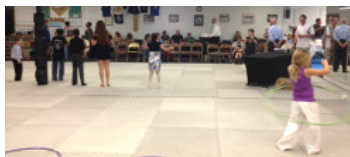

New Student Specials

We're running some new student specials, so if you know anyone who might be interested, bring them in so they can see how much fun we have learning taekwondo! Wouldn't this be a great way to spend more time with your friends?

Student of the Month **Francesco Gaudio** **Congratulations!!!**

Holiday Party

We had our holiday party on December 20, with food, fun, music, games, and family activities. We're all looking forward to next year!

Did You Know?

There are many chemical elements in the periodic table that seem to have strange letters for their symbols. This happens when their symbol is based on the original Latin name.

Ag - Argentum (Silver)
Au - Aurum (Gold)
Cu - Cuprum (Copper)
Fe - Ferrum (Iron)
Hg - Hydragyrum (Mercury)
K - Kalium (Potassium)
Na - Natrium (Sodium)
Pb - Plumbum (Lead)
Sb - Stibium (Antimony)
Sn - Stannum (Tin)
W - Wolfram (Tungsten)

December Rank Testing

Students tested for higher rank on Dec 10 and 12. Congratulations to all who tested and best of luck to the students testing this week!
