MANDATORY Captains Meeting August 21 @ 7:30 @ Mama Di Salvos Banquet Room... Let me explain Mandatory... A member of your team **MUST** attend this because there are changes and they **WILL** affect you... get the hint??

Presidents Letter

During the past year I have heard comments that the DDA Board is "wishy-washy", needs to be "more radical", and must be "stricter" when enforcing league rules. In our defense I must state that we did give teams and team captains a lot of leeway and the benefit of a doubt and got burnt several times. But no more am I going to take the brunt of a so called "weak" Board. Effective with the Fall season, DDA Rules will be enforced to the max. No longer will we carry individuals and teams who don't pay their fees on time (late fees will be added and points will be nullified). Scores not called in and score sheets not received by deadlines will result in penalty points. Any new member added to a team roster after applications have been processed must have prior board approval and will not be approved to join a team in a division lower than their darting ability. All other DDA rules will be handled and enforced as written.

On a brighter note we have some exciting new events happening this year. The ever popular Monday Nite Doubles League will kick up again mid-fall. Tuesday Nite will see a new Traveling 16 League. Wednesday will have a Handicap Division and if successful will probably spread to Thursday as soon as the Winter League. And whats even more exciting for you real dart lovers, you can now play all 4 nites.

Enjoy the rest of the summer and I hope to see all the team Captains on August 21.

The DDA will be sponsoring a new challenge in the upcoming season. **OUT-SHOOT THE BIG SHOT!**

Is there a particular darter you would like to throw against, but never had an opportunity? Or maybe, you needed a slight advantage to win against a person. There will be a guest darter (the Big Shot) offered once a month for all to use and abuse. Details to be posted at your favorite dart locations at a later date.

If you would like to recommend a guest or possibly be the Big Shot, please contact Paige Bagford @ 235-1347.
Stay tuned for details.....

DDA Summer Party August 18

This year, instead of having a summer league banquet, we are having a Summer Party. The format is similar, Bellbrook Canoe Rental, sunshine & good times. The difference is that it is open to everyone, no charge. The DDA will supply the facility and the grills to cook on. You need to bring everything else you may require to get through the day. As usual, canoes are available. The date is **Sunday August 18th** from noon till dark.

Bring your own food & beer & suntan lotion.

Normal events include; softball, volleyball, canoeing, eating, badminton, etc. Another popular event is watching all the non-athletes out there trying to be manly.

Feel free to bring your friends & family & let them see the kind of people you hang out with on dart night. (sometimes it gets scary)

Rosters Due August 14th

Rumor Patrol....What's Up

-just some tidbits...

-New Tuesday night darts... a traveling singles practice league is starting up this fall... see elsewhere in this fine publication for details...

-changes to Wednesday & Thursday night leagues... you can now play both Wednesday & Thursday night... just be sure your name is on the roster before scheduling... if you try to join a team during the season, you must have board approval or you will be removed from the match when the results are tallied... Wednesday will also have a new division of handicapped darts... this means that an average will be computed for all players & an offset will be applied to the games to make them competitive... this will allow anyone to shoot against anyone else on an even playing field...

-All*Stars... from what I hear, there are other cities trying to get into the Quad City Challenge (All*Star match)... we need to do well this year to hold our spot... so get out there & shoot your darts off...

-Gem City Open... we are having our tournament again this year... to help fund this event, we are selling advertising in the program and above the dart boards during the tournament... this year our tournament is ranked by the WDF (World Darts Federation)... what this means is that you will see many players from other countries here to participate... please help us to continue to bring world-class competition to our city...

-we'll try to keep everyone posted on what's going on with this column in the future...

GEM CITY OPEN

\$21,000+

Nov 29,30, & Dec 1, 1996

Radisson Hotel, Dayton

The DDA along with Larry & Sharon Butler are pleased to announce the 1996 Gem City Open \$21,000+ dart tournament.

This tournament will only be a success with everyones participation. The tournament will be held the Friday, Saturday & Sunday right after Thanksgiving. (November 29, 30, December 1 at the Radisson Hotel @ Ludlow & Third, downtown.

To help fund the tournament, we will be selling advertisements in the tournament program. This is a good opportunity to let everyone know what business you are in and to bring in new customers, so please advertise & help up promote our favorite sport. We will also be selling sponsorships of dart boards, what this means is that you can have your company name posted above a dart board for the entire tournament. Contact any board member, or call Mike Hadley for further info on advertising.

Last years tournament ran pretty smoothly, so we figure we will do it again. The Friday & Saturday night Luck of the Draws are always a favorite. You never know who your partner is & you never know how far you will go until you get into it. Rooms are very reasonable, so get a few friends together & make a weekend of it.

We are counting on all of you to come on out & support the DDA in this event.... see you there.

Traveling Tuesday League

A new night of darts is starting on Tuesday, August 27th. This will be all singles with a format very similar to the Lucky 16 held as Hanks for a long time. The difference is that each week, it will be held at a different location. Here's how it works. You show up to play at the location between 7:30 and 8:30. The \$5 weekly fee you pay (cash or check) goes into a pot. You get one point for showing up & one point for each match (best of 3 legs) that you win. You also get one point if you win for the night. When the pot gets to \$200, it is awarded to the person with the most accumulated points. This person's score then is set to zero. Everyone else keeps their score.

The other rules are simple:

- the first 16 players that show may play that week
- sign up is from 7:30 to 8:30
- you must pay when you show, no credit
- if you skip a week, there is no charge to you
- if you skip 6 weeks or more, you lose your score
- whoever wins for the night is responsible for mailing or dropping off the score sheet
- the player getting paid off will get a check from the DDA at the following weeks match
- in the case of a tie, the payout will be postponed till the following week
- the DDA keeps no monies from this league
- the standings will go out with the regular weekly sheets
- anyone may play as many weeks as they want
- this is an ongoing, year round league and will only skip holidays (see schedule)
- if the interest exceeds 16 players regularly, we will open it up for 24
- round robin format, groups of 8
- games ; first week of month = cricket, 2nd = 301, 3rd = 501, 4th (& 5th) = 301
