

Scared At Christmas

"When he saw the angel fear gripped him and the angel said, do not be afraid!"

Luke 1:12,13

Moms, is fear gripping you this Christmas? You're not alone! Look at all the scared people gathered around the Christmas tree. Zaharias, (above), Mary, Luke 1:30, Shepherds, Luke 2:8, Joseph, Matthew 1:20, Harod, Matthew 2:3, Lynda, Home 12:13!

Fear of losing another loved one, fear I did something wrong or didn't do something right that caused my child's death, fear that grief is going to destroy my life and relationships. Scared around the Christmas tree!

In our little vignettes the angel says, "Do not be afraid," and explains that from God's prospective there is a much bigger picture going on and it's one of good news, great joy and favor.

Will we sit on our cold ground in the darkest of nights and like the rest hear the angel's song and take courage? It's not automatic but it is there for our taking, the shepherd got up and went with haste....." and found JESUS!!!
