No Show Policy :

If you cannot attend a program for which you are registered, you must notify the library to cancel. Those that do not cancel their registration prior to the program will be considered a "no call, no show." Three "no calls, no shows" for a household within close succession will result in suspension of program registrations for the following month. This will also apply to those who excessively cancel registrations. To cancel your registration, you may call the library at 309-593-2178 and speak with a staff member.
