A RAPTURE GESTATION PERIOD

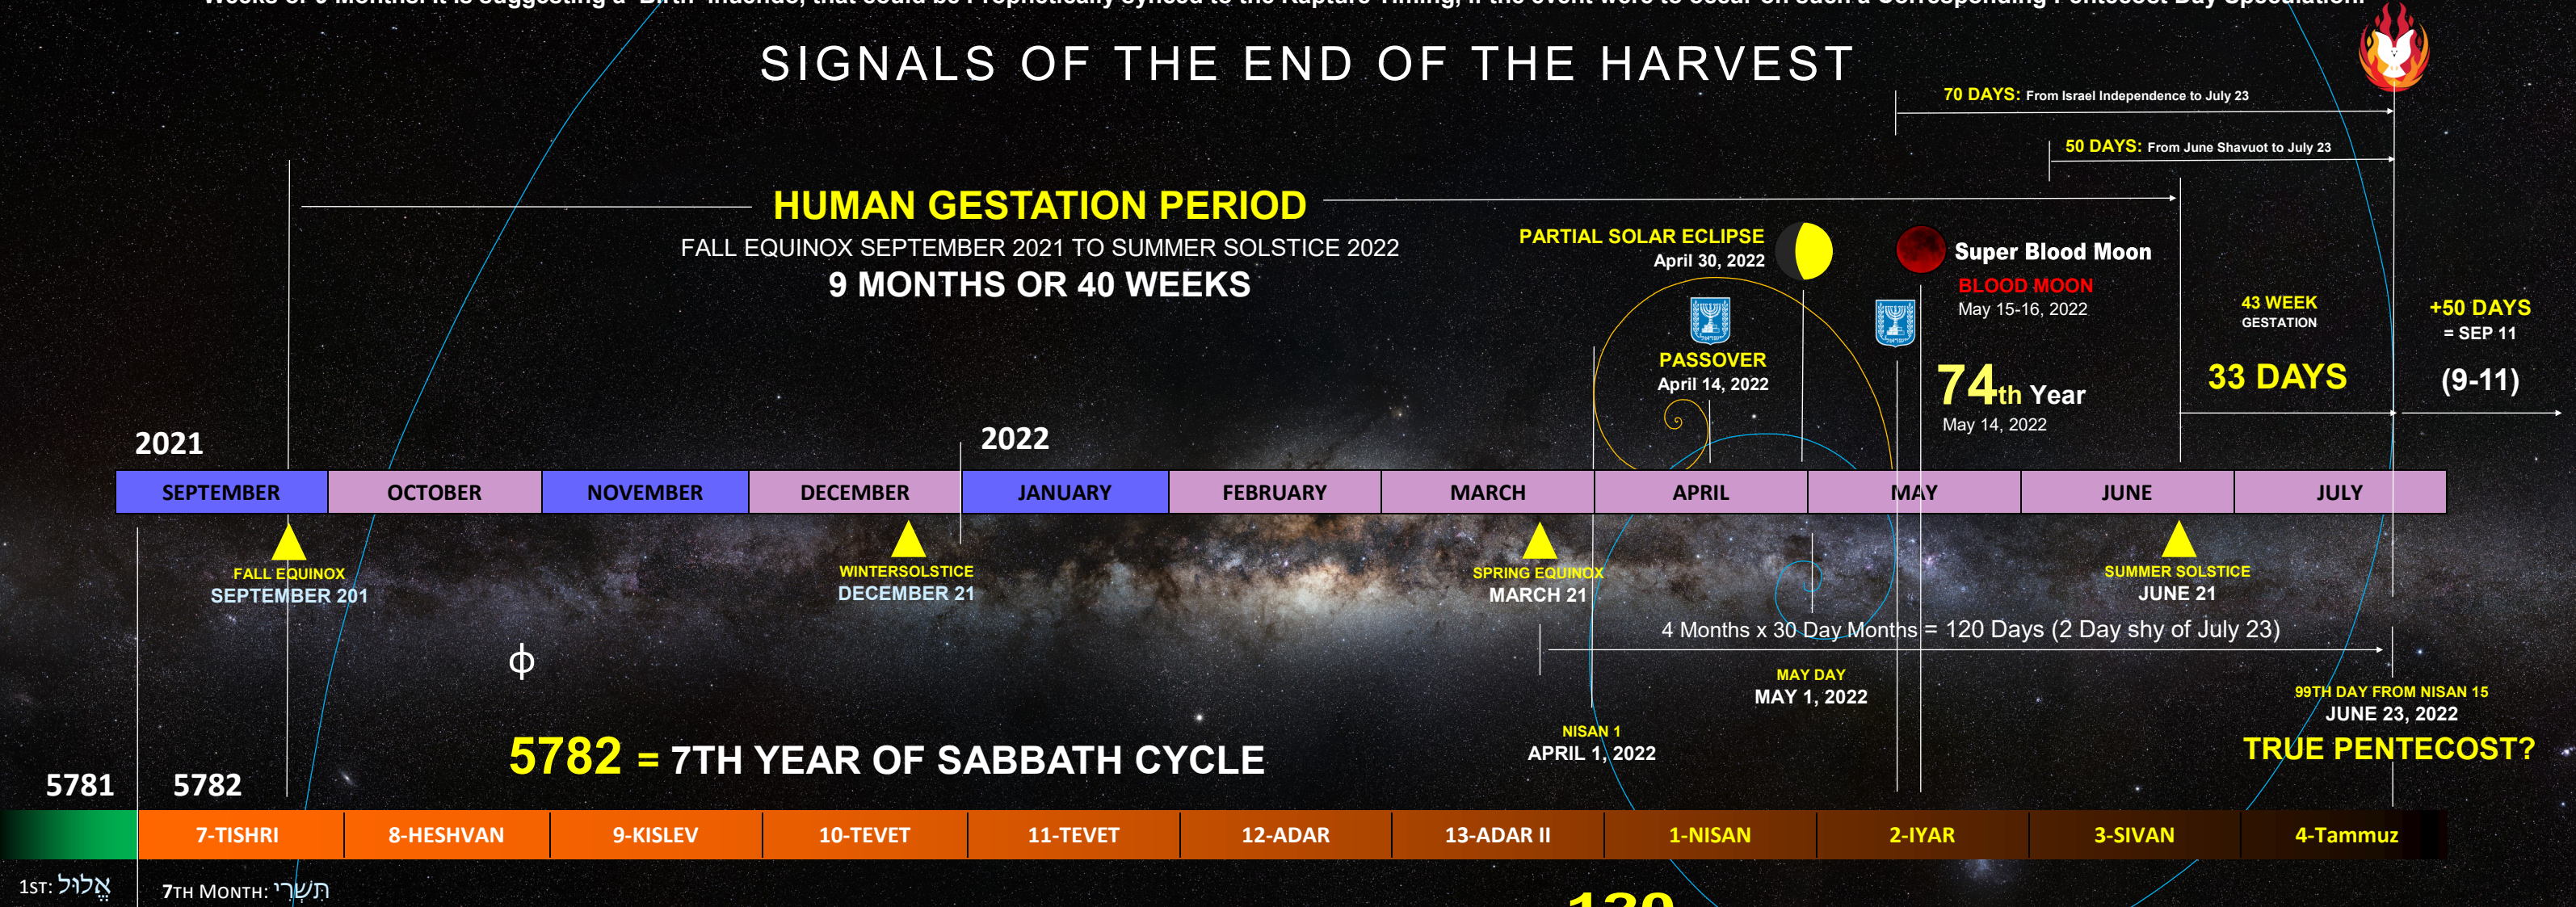

The purpose of this illustration is to note the Phi Ratio Time Correspondences based on the Feast Days of YHVH. Specifically how one surmises that true Pentecost occurs on the 99th Day after Nisan 15 in the 4th Month of Tammuz. This would put the Pentecost, based on a Double Count of 49 Days + 50 Days in Mid-July of a Given Year. For 2022, it would be July 23. What is highlighted is how from the Fall Equinox of September 21, 2021 to the Summer Solstice is 40 Weeks or 9 Months. It is suggesting a 'Birth' Inuendo, that could be Prophetically synced to the Rapture Timing, if the event were to occur on such a Corresponding Pentecost Day Speculation.

70-YEAR OLD FIG TREE

The purpose of this illustration is to consider some Mathematical Equations based on the Prophetic Implications of Israel being the 'Fig Tree' as depicted by Jesus Christ. Jesus stated that the Generation that would see the Re-Birth or Re-Budding of the 'Fig Tree' would be that Last Generation that would see His 2nd Coming. The following are a suggested correlation based on the 7-Year Sabbath Cycles since 1952. One believes that there is a Numerical Pattern that accompanies these Restorations of Israel in the Modern Era. In actuality, the Concept of Israel was 'birthed' in 1947. Then in 1967, Jerusalem and the Temple Mount came under Jewish Control, not since 70 AD. But, then in 2017, a monumental and Prophetic Event took place. The Capital of Israel was recognized by the USA and other Nations as Israel's Eternal Capital, etc. Also, the Great Sign of Revelation 12 appeared Astronomically as a Wake-Up Call of the Pending Rapture Event that would also occur in Tandem to a 5-Year Countdown to the start of the Tribulation Period. The Point? They all ended in a '7' and this goes back as far as 1917. But what about the Temple? Here is where one's Theory of a the 5-Year Countdown to it is derived from. Realize that 1947-1967-2017 all ended with a 7, as noted and by themselves are a Triple 7. And? What Year in the Life of Lamech did he Die? It was in his 777th Year. Thus 5 years from 2017 when Jerusalem was recognized as Israel's Capital will be 2022.

PROPHETIC COUNTDOWN TO ISRAEL'S RESTORATION 5778 AND THE START OF DANIEL'S LAST WEEK OF YEARS

LUNAR TETRAD PATTERN

LUNAR TETRADS SINCE 1AD RELATED TO THE NATION OF ISRAEL

The purpose of this illustration is to ascertain the pattern of Lunar Tetrads since Christ as it relates to Israel's history during these specific periods. Many believe that 1948, the year of Israel's declared statehood is dramatically marking-off a most significant prophetic event in modern history. It pertains to the possible convergence of Biblical prophecy. This period of 2015, in particular could be the start of the eventual fulfillment of the Last 7-Year period 'Week of Weeks' prophesized by the Prophet Daniel. This is only as some interpret End-Times scenarios and of Jesus Christ's 2nd Coming thereafter - "the Stone" that was rejected by Israel. Christ's Return is prophesized to occur during the last world government that will be in place. Perhaps these Tetrad patterns and their historical corresponding events foreshadow the "Final Countdown". Based on the prior patterns, the Tetrad of 2014-15 might see Israel build the 3rd Jewish Temple, then go through similar intense persecution soon thereafter and the Return of the Messiah, Jesus Christ.

There are a total of 8 Tetrads (depending on the count) since Christ pertaining specifically to Israel's history that fall on consecutive Feasts of Passover and Sukkot. There are and have been Tetrads in other times, but these noted ones have corresponded to key historical events of significance for Israel. The number 8 represents the over and above perfect completion, the first of a new series, thus New Beginnings. It is associated with Resurrection and Transformation. The Bible declares that Jesus Christ rose from the dead on 'the first day of the week,' or the 8th day. It signifies the beginning of a New Era or order or like with Noah when 8 Souls passed through to the New World. Noah, the 8th person stepped out on to a New Earth to commence a New Order of beginnings. Perhaps the Tetrad of 2014-15 will see the fulfillment of the 3rd Temple and the long awaited 'New World Order' that those in power in the world will see to its completion through the economic, military and religious conglomeration of the world.

The Lunar Tetrads since Christ on a timeline reveal a unique pattern of years as each occurrence happens to fall on major Hebrew Feast dates. The count is based on the Solar 365 day cycle. The TETRADS from 795 to 1949 approximate a Phi Ratio as the 3 TETRAD clusters of 795-842-860 and 1949-1967-2014. The span of years has a unique '1948' designation that repeats and corresponds to the years from AD 70 to 2018 and the year that Israel became a nation on May 14, 1948. There are 175 Sabbaths from 795 AD to 2015 AD. In 2 occasions, there is a double '633' year count repeating exactly and 1089 year count, which is 33 squared. The clusters of the last TETRADS OF 795-96, to the 1948 Tetrad appear to be 'bookends'. Both Tetrad clusters are equally counted off by a 19 and 48* years interval "1948" approximately. The seasons of Tetrads concerning Israel have been marred by tribulation, persecution, slaughter, war and exile of the Jewish Nation. The Jewish Nation was last in existence 1948 years from 70 AD to 2018 as many believe it is now the times of the End of Days.

PROPHETIC PATTERNS

Many End-Time Bible scholars speculate that these Lunar Tetrad configure a prophetic pattern related to Israel's destiny. The pattern is as follows. The modern establishment of Israel in 1948 started this 'countdown' to the 3rd Temple. The Tetrad of 1949-50 allowed for the sovereign nation of Israel to officially take up a United Nation's Seat in November 5, 1949.

After the Six-Day War of 1967, Israel re-captured the Old City of Jerusalem that included the Temple Mount; for the first time since AD 70. The Tetrad of 1967-68 saw the acquisition of the Jerusalem to be the capital of Israel thereafter. What is to follow is the rebuilding of the 3rd Temple that the Tetrad of 2014-15 may signify.

This pattern of Land-City-Temple mirrors the order in which, according to the Old Testament, Israel's 2 prior judgments occurred. The Temple was destroyed first, then the city and then the Diaspora occurred due to the rejection of the LORD's Prophets and chastisement. The 3rd and final exile, due to the rejection of Jesus as Messiah, as described by Jesus Christ in the Olivet Discourse in Luke 12 occurred on the 9th of Av when the Romans destroyed the Temple, City and exiled Israel amongst the nations of the world in 70 AD.

From Oct 3, 795 TETRAD to Sep 12, 843 TETRAD = 47y 11m 9d

THE PHI RATIO THEORY OF PROPHETIC TIME

It is a geometric relationship when 2 quantities have a ratio the same as the ratio of their sum to the larger of the two quantities. This math principle can be depicted in the tiling of squares whose side lengths corresponds to the Fibonacci sequence: 1, 1, 2, 3, 5, 8, 13, 21, and 34, etc. A golden spiral will be created by drawing circular arcs connecting the opposite corners of the squares. The phi ratio is also called the golden section, the golden mean, the divine proportion, the divine section.

ROME: IMPERIAL PERSECUTIONS

The destruction of the Jewish Temple in AD 70 marked the beginning of the 3rd Diaspora, or exile of the Jewish among the Nations, not to be re-gathered until the End Times for the last 70th Year Generation.

Advent of a "Muslim" faith heralding the 'true' revelation of the One god seeks to eradicate Jewish ancient communities as it denies the basic tenants of established Judeo-Christianity, the Cross & Jesus Christ as SON of GOD.

SPAIN: ROMAN CATHOLICISM

The Re-Conquest & emergence as a world Super-Power expelled the Jews from Spain & ushered in a dark time of THE INQUISITION.

GERMANY: HOLOCAUST

The Nazi Party sought to exterminate the Jewish Nation during World War 2 by way of the 'Final Solution' - Holocaust

AS IN THE DAYS OF NOAH

EXAMPLE OF HOW YHVH USES THE PHI RATIO MATHEMATICAL RATIO TO 'CLOCK' PROPHETIC TIME AND EVENTS

The purpose of this illustration is to consider a possible Prophetic Chiastic Fold between the 'As in the Days of Noah' 7-Day precursor to the Worldwide Flood and the Rapture event 7-Year precursor to the Tribulation Period. In the following timeline, one will use the 7-Day Creation Week Pattern as a Prophetic Template of Time. Thus, there segments of times or Millenia will be an approximation to suggest a 'Big-Picture' point of view and reference. This point in time marks the most crucial and amazing point in Human History that the timeline represents of the 6000-Years allotted to Humanity since the 1st Adam, etc. Also, not that the Bible teaches that presently, the 2-Day or 2 Millenia Church Age, the Age of Grace, the Mystery Age, Age of the Gentiles, is a Prophetic Parenthesis in-between the 69th and 70th Week of Daniel. Meaning that the Last Sabbath Week comes after the Church Age as it deals with precisely only the 'People, City and Temple' of Daniel. The point of the study, is that in terms of the Prophetic Chiastic Fold, the Rapture linkage to the Flood of Noah is as follows. The Flood or the 'Rain' of Judgment came down on Noah's 600th Year. There was a 7-Day precursor as YHVH instructed Noah and Family to 'chamber' in the ark and 'Lockdown' before the Rain and Waters of Judgment began. This could be a clue in hindsight, but only in the macro-level of perspective as likewise, after 2 Days or 2 Millenia, the Church Age comes to a close at the 6000th Year but minus, not 7 Days, but 7 Years from that point in time.

PAN-GAEA

It is speculated that the Earth was smaller in size before Flood. Some believe that Genesis 1:2 is a 're-creation' account. This could reconcile a 'Old and New Earth' Theory.

After the Flood, the 3 Sons of Noah's Descendants migrated to 3 main destinations. The 3 prominent Races' color came as a result of Earth's Latitude. This was due to protective 'Firmament' Shield being destroyed.

JUBILEE PATTERN OF TIME

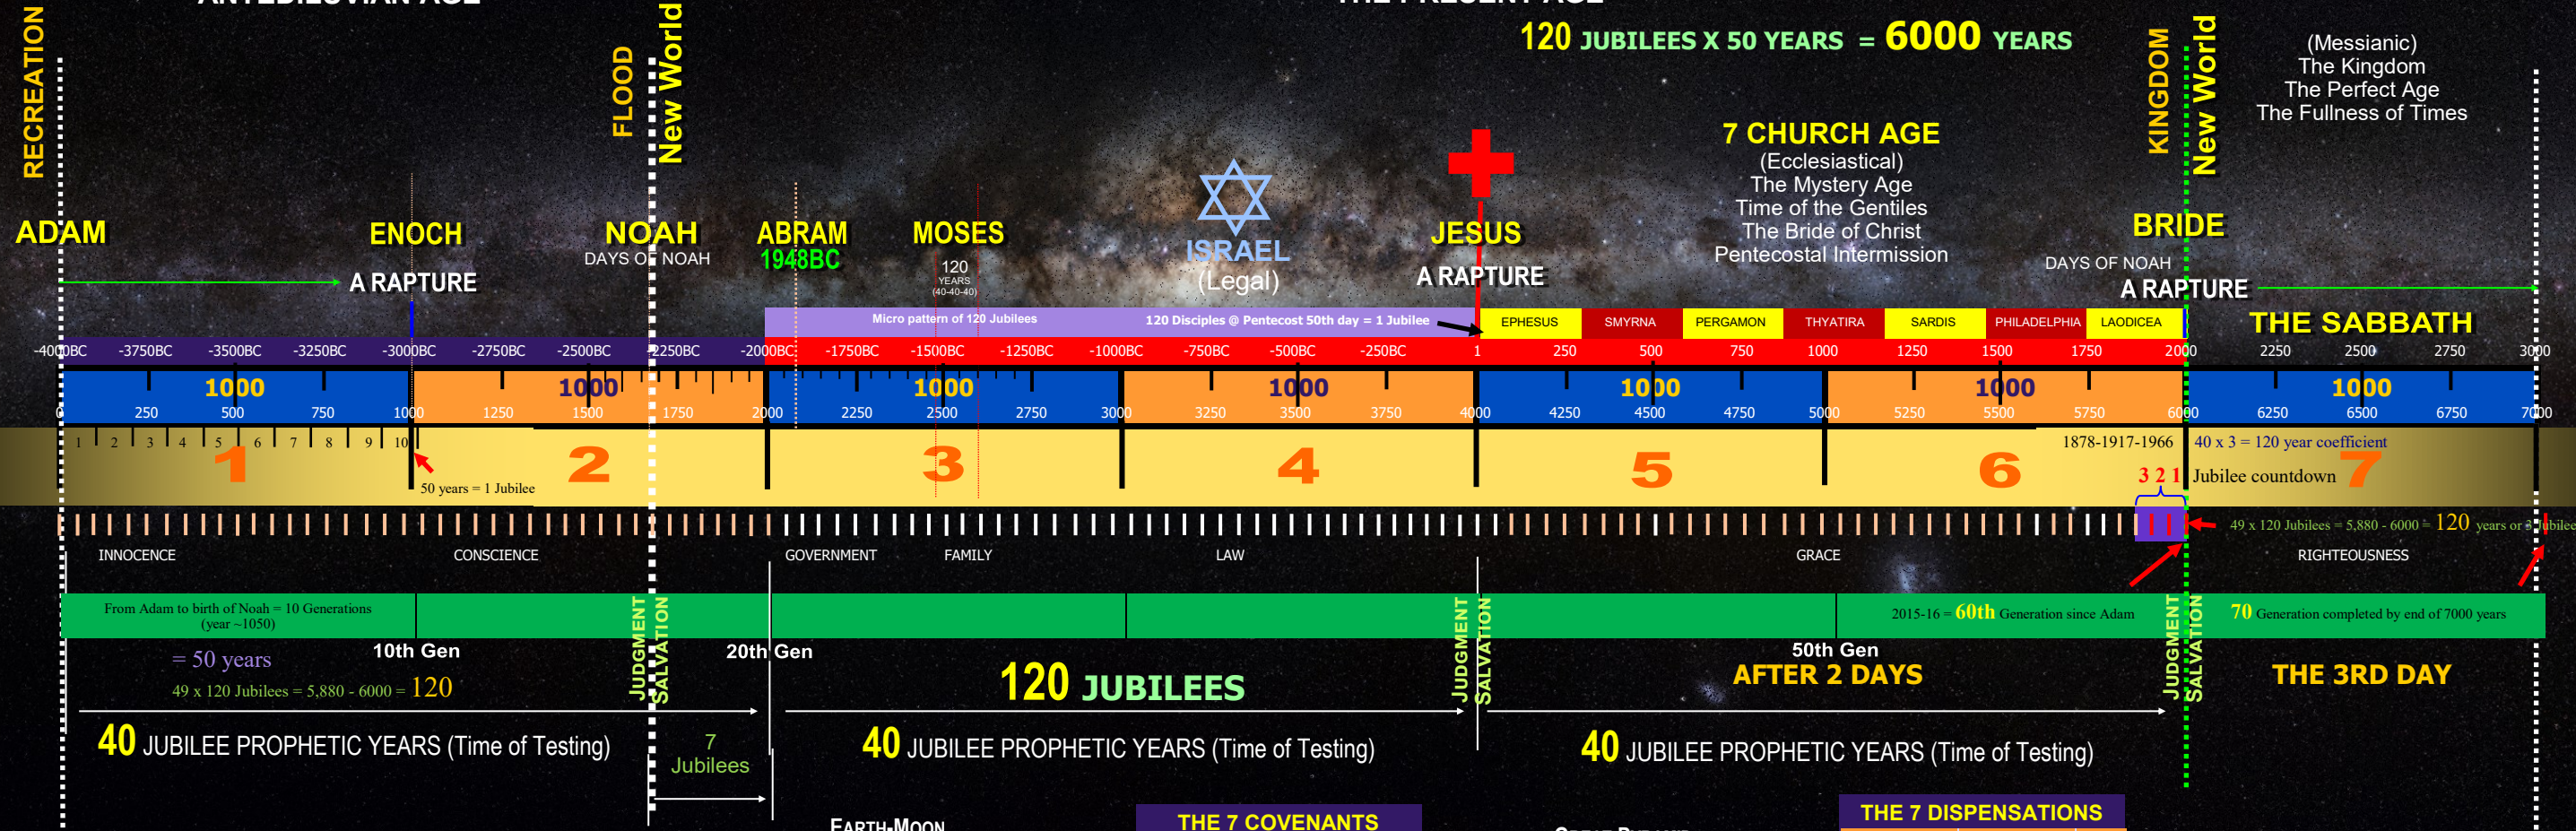

120 PENTECOSTAL PATTERN HISTORY OF THE HUMAN RACE

The purpose of this illustration is to map out the pattern of time relevant to the human race based on the notion of the 120 Jubilee prophetic period of time. This is based on one of the interpretations from Genesis 6:3. This study will consider some pertinent patterns of time that begins for Humanity with the Biblical account of Genesis. This timeline will reflect a projection of time based on the 7 day or the 1 week of creation of YHVH according to the Bible. This timeline that will map-out the dispensation of the Ages of human history is concurrent with the notion of there being a totality of a 7000 year dimension of time and space. The chart associated with this study will show this illustration based on the original layout of the *Dispensation of Time* by C. Larkin. What will be embellished in this study is the notion that such dispensations are subject to a factor of the phi ratio, other mathematical variables and Biblical numerical patterns. The next supposition is that the creation account of Genesis 1:2 is a 're-creation of an earlier form of existence of Earth that perhaps was or was not subject to time or a current dimension of space and time continuum. One of the main patterns of this timeline that will be examined is that of the pattern of 7s. It is a factor that is seen to some extent in almost every dispensation. Another prevalent numerical pattern is that of 40; it is 3x a factor within the 120 Jubilee prophetic time period. Biblically speaking the spiritual significance of 40 is that of a time of testing or evaluation.

The chart associated with this study will show this illustration based on the original layout of the *Dispensation of Time* by C. Larkin. What will be embellished in this study is the notion that such dispensations are subject to a factor of the phi ratio, other mathematical variables and Biblical numerical patterns. The next supposition is that the creation account of Genesis 1:2 is a 're-creation of an earlier form of existence of Earth that perhaps was or was not subject to time or a current dimension of space and time continuum. One of the main patterns of this timeline that will be examined is that of the pattern of 7s. It is a factor that is seen to some extent in almost every dispensation. Another prevalent numerical pattern is that of 40; it is 3x a factor within the 120 Jubilee prophetic time period. Biblically speaking the spiritual significance of 40 is that of a time of testing or evaluation.

JUBILEE PATTERN OF TIME

120 PENTECOSTAL PATTERN HISTORY OF THE HUMAN RACE

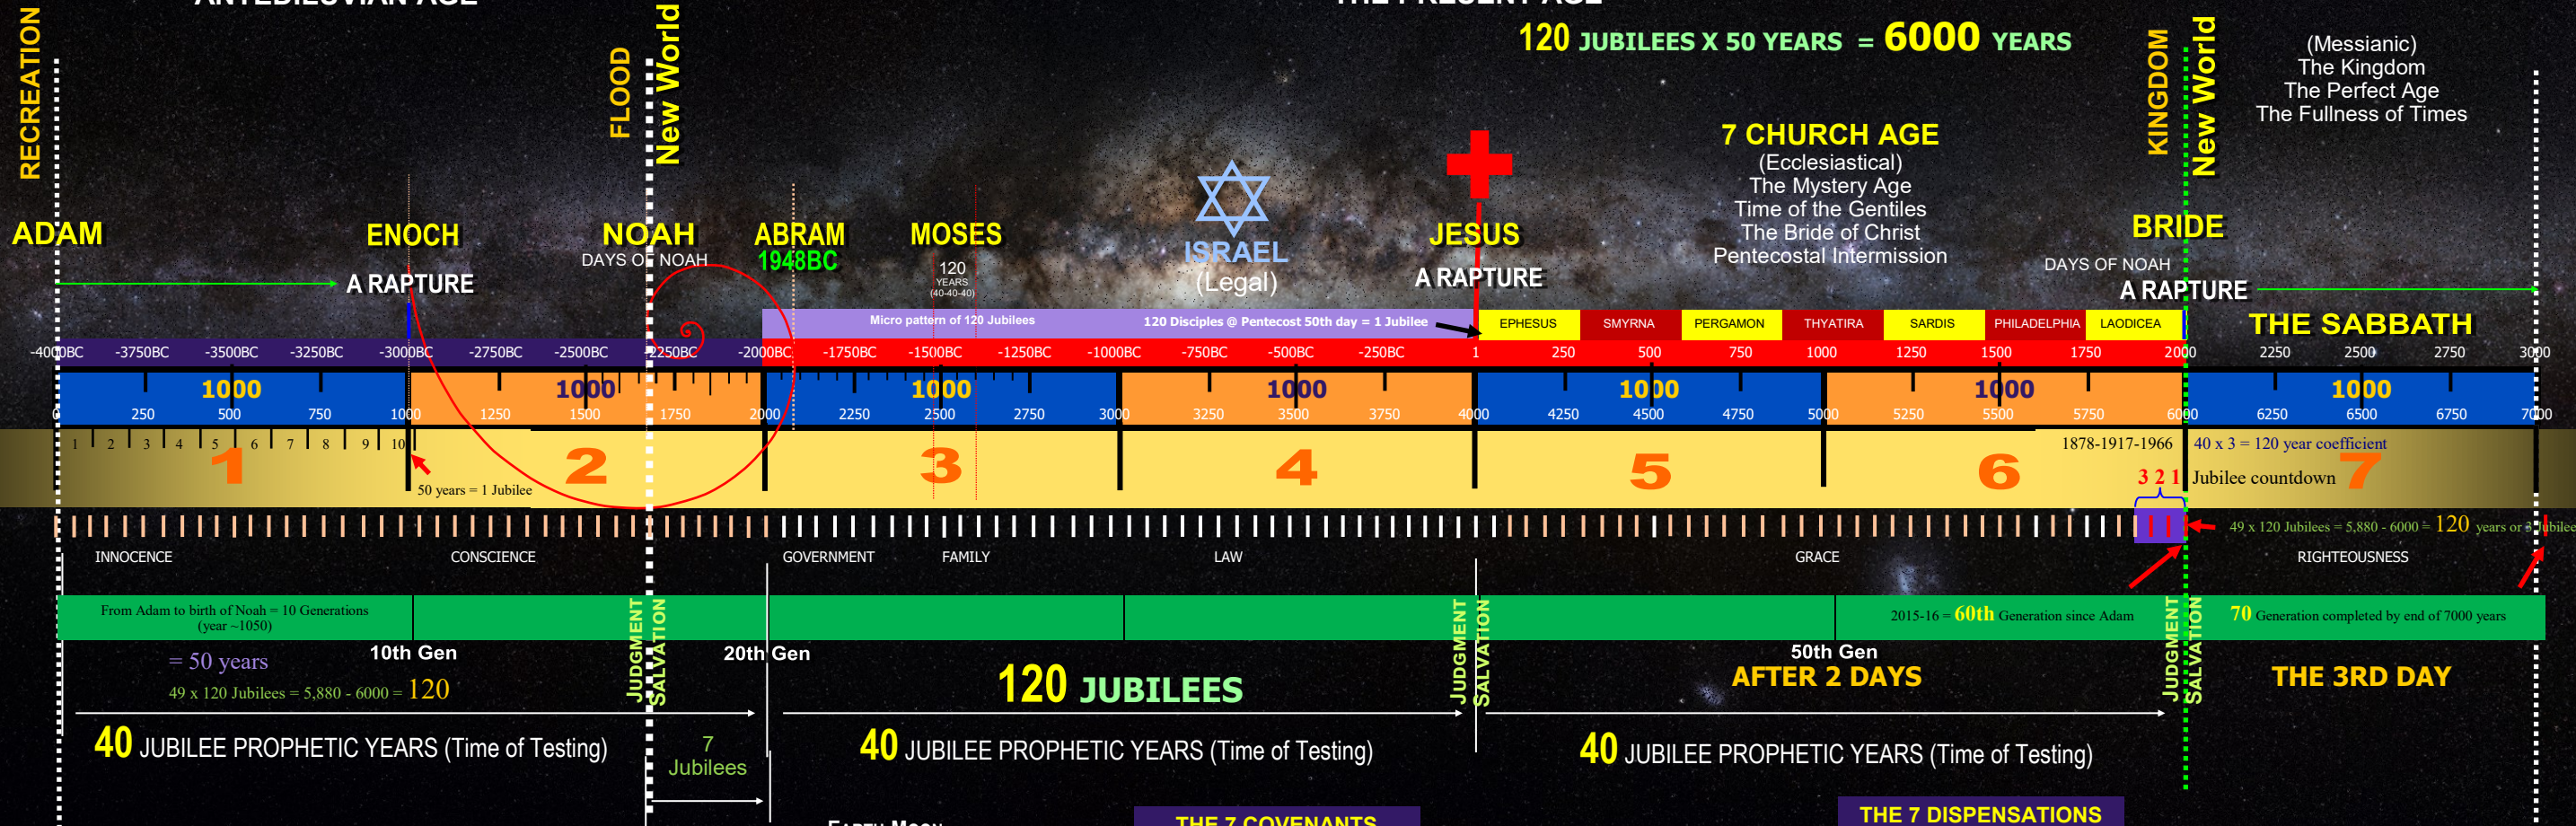

The purpose of this illustration is to map out the pattern of time relevant to the human race based on the notion of the 120 Jubilee prophetic period of time. This is based on one of the interpretations from Genesis 6:3. This study will consider some pertinent patterns of time that begins for Humanity with the Biblical account of Genesis. This timeline will reflect a projection of time based on the 7 day or the 1 week of creation of YHVH according to the Bible. This timeline that will map-out the dispensation of the Ages of human history is concurrent with the notion of there being a totality of a 7000 year dimension of time and space. The chart associated with this study will show this illustration based on the original layout of the *Dispensation of Time* by C. Larkin. What will be embellished in this study is the notion that such dispensations are subject to a factor of the phi ratio, other mathematical variables and Biblical numerical patterns. JERUSALEM EMBASSY CELEBRATION

In light of the 70th year anniversary of Israel's independence since 1948 and the USA Embassy move to Jerusalem, this study wanted to look at a possible encrypted meaning of the 3 names of the men engraved within the stone plaque embedded on the wall of the US Embassy building in Jerusalem. The U.S. Embassy plaque was unveiled by Ivanka Trump and various Israeli and American dignitaries. Nonetheless, if names have meaning and are derived from the nature of their definition, then what would the names be telling perhaps? This is only a speculative suggestion but the names embedded forever in the plaque will go down in Israeli and Church Age history as a monument milestone that is undeniable. The stone plaque if very simple, elegant and lists the names of 3 men, Donald Trump, Michael Pence and David Friedman. Aside from Donald, the name of Michael and David are probably the most prolific of names concerning Israel's past and future aside from Yeshua or 'Joshua' that is Israel's Messiah, Jesus Christ. Many Biblical scholars and even secular observers both in the press, media and governments see that this event is historic to say the least but Biblical at most. In short, it would make Donald Trump, the U.S. President forever engraved not only in the stone plaque of a nation's embassy building but in the annals of Jewish History, which is phenomenal. Many do see the designation of the choosing of Cyrus the Great, a great Persian no less with that of Trump. Both are now seen as being called by YHVH to help restore Israel.

PROPHETIC LEGACY OF PRESIDENT DONALD TRUMP

Great Chief, who ranks atop others, Who is like Elohim? (GOD) that on His Holy Hill gathers His herd, Beloved Man of Peace.

1 Donald - Great Chief
The name Donald is a Scottish baby name. In Scottish, the meaning of the name Donald is 'Great Chief', 'World Mighty'. From the Gaelic Domhnall, the name Donald was given to a number of early Scottish Kings.

Trump - To rank atop others
Trump is a surname of English and German origin. The English surname is derived from the Old French 'Trompeur', or 'Trumpeter', which means, the 'Maker of Trumpets'.

There is a 2nd meaning in the game of Bridge and other card games. It is a playing card of the suit chosen to rank above the others, which can win a trick where a card of a different suit has been led.

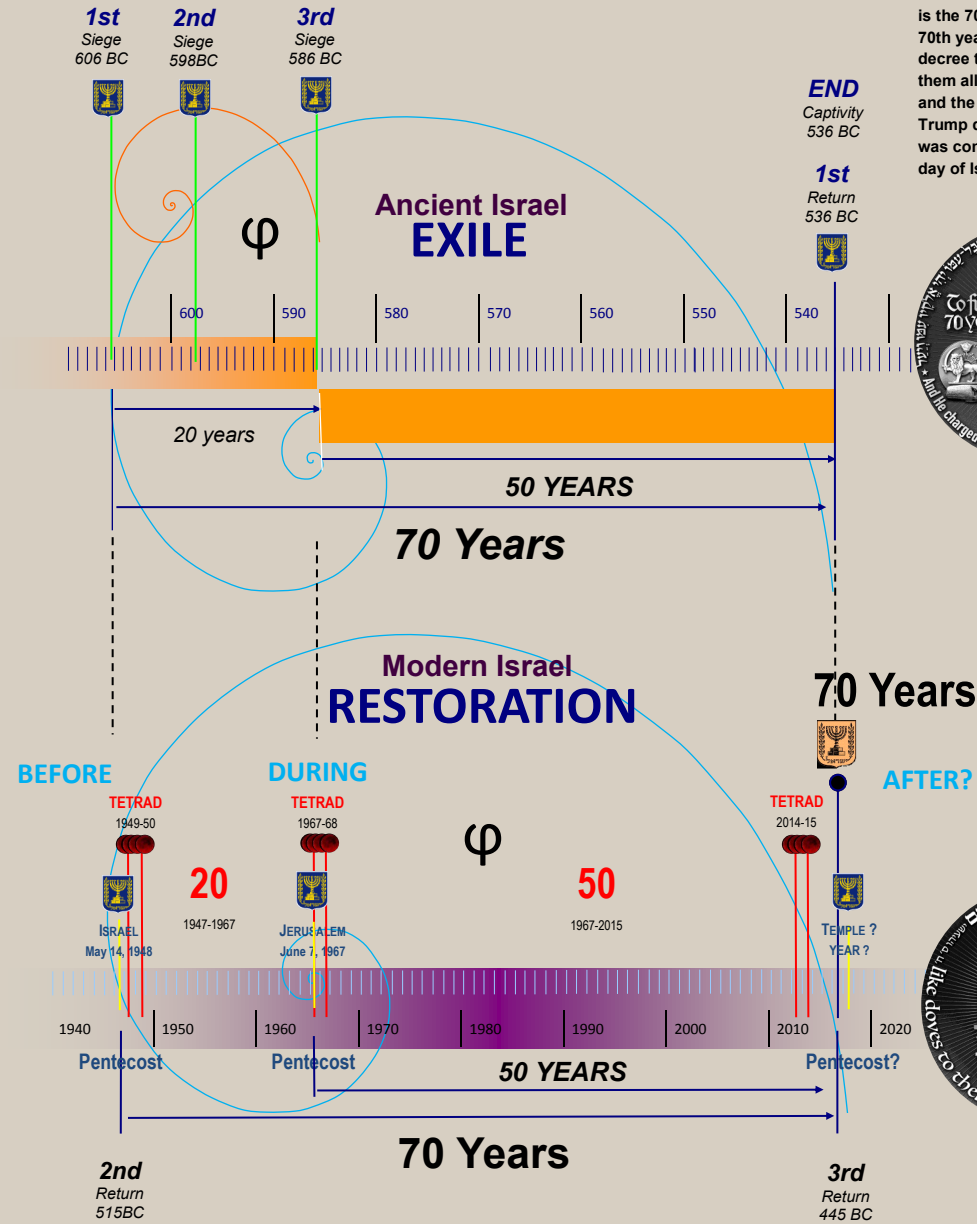

2 Michael - Who is like Elohim? (GOD)
From the Hebrew name (Mikha'el) meaning who is like God? The name is a rhetorical question, implying no person is like GOD. Michael is one of the 7 Archangels in Hebrew tradition and the only one identified Archangel that protects Israel.

Pence - Hill that gathers herd
The ancestors of the bearers of the Pence family name are thought have lived in ancient Anglo-Saxon England. They were first found near an area that was referred to as the Penn. The surname Pence is a toponymic surname, which described where the original bearer held land. In this case, the surname was originally derived from the Old English words 'Penn', meaning an area that housed stray animals as in a 'penn', but also which referred to a hill.

3 David - Beloved
From the Hebrew name (Dawid), which was probably derived from Hebrew (dwd) meaning 'Beloved'. David was the 2nd and greatest of the Kings of Israel. David ruled in the 10th century BC and made Jerusalem the capital of Israel. Several stories about him are told in the Old Testament, including his defeat of Goliath, the great Palestinian giant.

Friedman - Man of Peace
This ancient surname is of German, Swiss and French origins. It was also adopted as a Jewish Ashkenasic surname from the 17th century onwards. It derives from the pre-8th century word 'fried' meaning 'peace', plus 'man(n)' as in 'Man of Peace'. It has a variety of translations from servant, (as in servant of God), or friend.

1948-2018
70 AD + 1948 = 2018

The Sanhedrin has issued a 1/2 Shekel Temple Coins with both men's facades to commemorate a 'decree' over Jerusalem. The linkage to both men is the 70-year numerical coefficient. It was at the 70th year marker that Cyrus the Great issued the decree to liberate the Jewish Captives and have them all return to restore Judah (Israel), Jerusalem and the Temple. In similar 'prophetic' fashion, Trump decreed move of the embassy to Jerusalem was commemorated at the 70th year marker, to the day of Israel's Independence.

Likewise, it would appear that such a move may be fulfilling a major prophetic milestone of YHVH's prophetic timetable. It is concerning the redemption of Israel, the City and eventually the Temple. Will Donald Trump's decree reach that 'prophetic' degree concerning the building of the 3rd Temple in some way? What the move of the U.S. Embassy to Jerusalem by Donald Trump does it that it now legitimizes the construction of the 3rd Temple, whenever that will be. It is point of pride for the Gentile Church of whom many Evangelical Pastors have said of Israel that 'they are our best friends' and above all, brothers in arms and benefactors of Israel's Covenant per Abraham.
