Oats and Beans

On my way to Old McDonald's farm, e-i-e-i
And oh, the things that I did see
If you wanna know
How oat and beans and barley grow
Then come along
Down to the farm with me

Oats and beans and barley grow
Oats and beans and barley grow
Do you or I or anyone know how
Oats and beans and barley grow

(repeat)

First the farmer sows her seed
Then stands back and takes her ease
Stomps her foot and claps her hand
And turns around to view the land
Of..

Songs From The Playground - Lyrics

Oats and beans and barley grow
Oats and beans and barley grow
Do you or I or anyone know how
Oats and beans and barley grow

Instrumental solo

Cauliflower, sugar peas
Bamboo shoots and broccoli
Sprout from the ground but I just don't know how
Oats and beans and barley grow

Oats and beans and barley grow
Oats and beans and barley grow
Do you or I or anyone know how
Oats and beans and barley grow

Next the farmer winks her eyes
Snaps a piece off from they rye
Dance a little jig so the rain will pour
And bring her plenty more ... of...

Oats and beans and barley grow
Oats and beans and barley grow
Does anyone know, baby?
How Oats, beans, barley grow

Are they hanging from a tree? (no no no no)
Floatin' in the sea? (no no no no)
Ya gotta take a trip down to Ohio
If you wanna some oats and beans and barley grow!

Green Grass Grows

There was a hole in the middle of ground
And the green grass grows all around, all around
And the green grass grows all around

And in that hole, there was a tree
The fluffiest tree that you ever did see...

And on that tree there was a branch
The lankiest branch that you ever did see...

And on that branch there was a twig
The twiggiest twig that you ever did see...

And on that twig there was a nest

Songs From The Playground - Lyrics

The fuzziest nest that you ever did see...

And in that nest there was a bird
The prettiest bird that you ever did see...

Around and round and round and round

Mister Rabbit

Mister Rabbit, mister rabbit (echo)
Your ears are mighty long
Yes but oh, they sure is strong
Ev'ry little soul must shine, shine
Ev'ry little soul must shine

Mister Rabbit, mister rabbit (echo)
Your teeth kinda buck
That's how you know I'm full of luck
Ev'ry little soul must shine, shine
Ev'ry little soul must shine

Shine, shine, shine, shine
Ev'ry little soul must shine - woo!

Mister Rabbit, mister rabbit (echo)
Your feet are pretty flat
That's 'cause I gotta dance and tap and
Ev'ry little soul must shine, shine
Ev'ry little soul must shine

Mister Rabbit, mister rabbit (echo)
Ya lips too small
But when I sing, it sounds so tall
Ev'ry little soul must shine, shine
Ev'ry little soul must shine

Shine, shine, shine, shine
Ev'ry little soul must shine

On a 'lectric fan

C-Line Woman

This song is about the C Line woman
There are lots of stories about her
And in my story, she's a train conductor
Marking sure everything on the C-Line
Stays in line
And when we sing C Line woman
There's a part for you to sing too
And it goes like this:

C-Line, C-Line, C-Line, C-Line (Can you handle that?)
C-Line, C-Line

C-Line woman
Minds the tracks
That c line woman
Ain't goin' back
Show your ticket
Take your seat
All aboard
Come ride with me

C-Line woman [x 8]

C-Line woman
She drink coffee
She drink tea
In the candlelight
Way down yonder
All night long
And a rooster crowed in the candlelight

No she ain't
No no she ain't comin' back
(repeat)

Love Somebody

Love somebody, yes I do
Love somebody, yes I do
Love somebody, yes I do
Love somebody, might be you

Violets purple, sky is blue
Violets purple, sky is blue
Violets purple, sky is blue
Love somebody and I won't say who

One plus one equals two
One plus one equals two
One plus one equals two
I'd go anywhere with you

Love somebody, yes I do
Love somebody, yes I do
Love somebody, yes I do
Love somebody, I love you
