The Flagler County Sheriff (hereinafter "Agency") recognizes the Coastal Florida Police Benevolent Association (hereinafter "Union") as the exclusive bargaining representative, as certified by the State of Florida Public Employees Relations Commission, certification number 1335, for the following unit of employees of the Flagler County Sheriff's Office: All full-time regular employees employed by the Flagler County Sheriff's Office in the position of Detention Deputy, Detention Deputy First Class, Detention Corporal and Detention Sergeant. Excluded from this unit are the Sheriff, all staff positions, and anyone above the rank of Sergeant.

Section 2: Definitions

- A. Employee - Except as herein otherwise defined wherever the term "employee" is used in this Agreement, it shall mean full-time regular employees, or group of employees with the bargaining unit as heretofore described. Reserves and provisional employees are excluded from the term "employee" hereunder.
- B. Crucial Employees - Crucial positions require personnel to be present 24 hours a day, 365 days a year. For example, Community Policing personnel, Communications personnel, and Detention personnel assigned to a shift who perform those core duties.
- C. The term "Sheriff" shall mean the Sheriff or the appointed Acting Sheriff.

ARTICLE 2

UNION BUSINESS

During the life of this Agreement, the Employer agrees to deduct union dues from the pay of each employee in the bargaining unit who authorizes said deduction, and shall mail said dues to the address of the Union as certified by the Union to the Agency.

It is understood that this provision will provide for twenty-six (26) bi-weekly deductions per year for all employees. The Employer will remit to the Union such sums within thirty (30) days. Changes in Union membership dues rate will be certified to the Employer in writing and shall be done at least thirty (30) days in advance of the effective date of such change. The Employer's remittance will be deemed correct if the Union does not give written notice to the Employer within two (2) calendar weeks after a remittance is received, of its belief, with reason(s) stated therefore, that the remittance is incorrect.

The Union will indemnify, defend and hold the Employer harmless against any claim and against any suit instituted against the Employer on account of any deduction of Union dues.

No deduction shall be made from the pay of the employee for any payroll period in which the employee's net earnings for that payroll period, after deductions, are less than the amount of dues to be deducted.

Section 1: Negotiating Committee

Employees who are members of the Union negotiating committee, not more than three (3) in number, shall suffer no loss of pay or benefits in order to attend all scheduled meetings with representatives of the Employer for the purpose of negotiating the terms of the contract when such meetings take place at a time during which such

employees are scheduled to be on duty.

Section 2: Employee Representatives

A formal notification will be provided to Human Resources with the names of those unit representatives. A Unit representative shall be granted reasonable time off if necessary during working hours without the loss of pay or other benefits, in order to resolve grievances expeditiously. Said time shall be requested of the Sheriff or his designee, who shall not withhold permission for more than twenty-four (24) hours, except in the case of an emergency.

Section 3: Board Leave

If a member of the bargaining unit holds a position within the Union of Employee Representative, they will be granted up to eight (8) hours a month of administrative leave with pay to attend to grievances, contract negotiations, disciplinary hearings, crash review boards, or Board of Director meetings.

Under no circumstances will employees be paid by the Agency to participate in the labor activity of another agency.

Section 4: Intranet Tab

The Union shall have the use of a tab on the agency intranet, for posting notices, which shall not be of political or controversial nature. The most current versions of all bargaining unit contracts will also be accessible under the intranet tab.

1. Copies of all notices shall be submitted, via email, to the agency designee prior to it being posted. If the agency designee feels that the notice is of a controversial nature, the Union agrees to rewrite it in such a way that it would not be of controversial nature.

2. Any material found under the Union tab not on file with the agency may be removed by the agency. The agency shall immediately notify the union designee that the material was removed and why.

Section 5: Union Meetings

The agency hereby agrees that the Union will have the right to use a room at one of the agencies facilities, for the purpose of union meetings. The room must be scheduled in advance with the training unit, and its use by the Union will be limited by other needs.

Section 6: Agency Email System

The Union shall be entitled to access the electronic mail system of the agency to communicate with union membership concerning Union business. Prior to email dissemination, a draft of the email will be sent to the agency designee for approval.

ARTICLE 3

- (a) The interrogation shall be conducted at a reasonable hour, preferably at a time when the employee is on duty, unless the seriousness of the investigation is of such a degree that immediate action is required or agreed upon between the parties. The Sheriff shall make every effort to complete the investigation within 180 days.

- (n) The findings of any internal investigations shall be labeled "sustained" (guilty as charged), the investigation disclosed sufficient evidence to clearly provide the allegations made in the complaint; or "not sustained" (not guilty), the investigation fails to discover sufficient evidence to clearly prove or disprove the allegations made in the complaint; "exonerated", acts did occur, but were justified, lawful, and proper or "unfounded", the investigation indicates that the act(s) complained of did not occur or failed to involve Agency personnel;. - (o) Any questioning that is not going to lead to discipline is not considered interrogation as defined in the Law Enforcement Officer's Bill of Rights.
- (p) Any verbal corrective actions, written counselings, and written reprimands are not considered discipline and therefore are not grievable. However, an employee may seek a review to the next level of supervision. Verbal corrective actions, written counselings and written reprimands will be purged after one year.

Section 3:

The "Law Enforcement Officer's Bill of Rights" as set forth in Florida Statute §§112.531 - 112.534, as amended from time to time, is incorporated herein and made a part of this contract.

Section 4:

Any questioning of an employee shall be conducted by a sworn employee or a non-sworn employee with law enforcement experience who is certified as to how to conduct internal affairs interviews. Any employees assigned by the Sheriff or designee to investigate an employee shall remain in the bargaining unit and will not be excluded based on a conflict of interest or confidential status.

Section 5:

A copy of any disciplinary action will be given to the employee being disciplined. The employee will sign the form to acknowledge receipt. A copy will be placed in the employee's file. An employee has the right to prepare a written response to any written reprimand. The response will be placed in the employee's file.

Section 6:

Employees are entitled to inspect and copy their personnel files and any internal investigation files not confidential by law. Upon request of the employee, the employer agrees to furnish these records and documents to the employee at no cost to the employee. The employer will supply these documents within 24 hours of the request excluding holidays and weekends.

Section 7:

Throughout all disciplinary investigations, each employee shall be presumed to be innocent.

Section 8:

Proposed penalties resulting from an internal investigation may not be implemented until the employee has exhausted their administrative remedies in accordance with Article 16 of this Agreement. The Agency may immediately suspend an employee without pay if they are arrested for any criminal act. All employee benefits (sick leave, insurance payments, etc.) will continue to be paid by the Agency during this suspension. In the event that the criminal investigation concludes with a determination that the suspended employee under investigation is exonerated or the case is unfounded, the employee shall be back paid in full for all wages lost during the suspension. An employee under suspension without pay in the above circumstances may elect to use his or her accrued vacation time as salary during the suspension with the same consideration of reloading used vacation time should the case be unfounded or the employee exonerated.

Section 9:

(a) Suspensions will not become effective until the employee has exhausted the appeal of their grievance in accordance with Article 16 of this Agreement or until the time period for such appeal has expired. However, immediately upon the decision to suspend an employee, the Flagler County Sheriff's Office will deduct hours equal to the time suspended from the employee's personal leave or vacation leave accounts pending the outcome of the appeals referenced above. In the event the employee does not have a sufficient number of personal leave or vacation leave hours on the books, the Flagler County Sheriff's Office will deduct all future accruals until such time as hours equal to the suspension have been deducted. If the employee prevails in the appeal process, personal leave or vacation leave deducted will be returned to the

employee. If the employee does not prevail in an appeal or does not utilize the appeal process, the Flagler County Sheriff's Office will determine if the unpaid suspension is to be enforced or if the forfeited personal leave or vacation hours will serve as the permanent discipline.

ARTICLE 6

NO STRIKE CLAUSE

The union agrees to disavow any strike or work slowdown that is in violation of Florida Statute 447.505.

ARTICLE 7

STABILITY OF AGREEMENT

Section 1:

No agreement, understanding, alteration or variation of the Agreement, terms or provisions herein contained shall bind the parties hereto unless made and executed in writing by the parties hereto.

Section 2:

The failure of the Agency or the Union to insist, in any one or more incidents, upon performance of any of the terms or conditions of this Agreement shall not be considered as a waiver or relinquishment of the right of the Employer or of the Union to future performance of any such item or condition, and the obligation of the Employer and the Union to such future performance shall continue in full force and effect.

Section 3:

All rules, regulations, policies and procedures of the Employer in effect on the effective date of this Agreement shall remain in full force and effect if not specifically in conflict with the terms of this Agreement. Authority to change, modify or delete rules, regulations, policy or procedures not in conflict with the terms of this Agreement rests with the Employer.

ARTICLE 8

ADHERENCE TO LAW

The Employer and the Union recognize and adhere to all state and federal laws, rules, and regulations.

ARTICLE 9

HOURS OF DUTY AND WORK SCHEDULE

Section 1:

The Agency elects to utilize the seven (7) day workweek; however the pay period shall consist of fourteen (14) days.

Section 2:

The existing work schedules for each bargaining unit classification shall remain in effect for the term of this agreement unless changed by mutual agreement between the Sheriff and the PBA.

Section 3:

The Employer will notify employees fourteen (14) days in advance of a permanent change in assignments. This will not prevent the Employer from making temporary changes due to manpower shortages, FTO training, coverage requirements, emergencies, etc.

Section 4:

The employer will assign detention deputies to one of four squads. Each squad will then be assigned to a twelve hour shift. The shift hours will be 0600-1800 and 1800-0600. Squads will rotate on a three month rotation unless otherwise agreed to by the Sheriff and the PBA. The intent of the parties is for the squads to rotate with the road deputies and if the rotation of the road deputies is different than three months then the parties shall return to negotiate a new rotation. Detention deputies will be assigned regular days off during each fourteen-day payperiod.

ARTICLE 10

OVERTIME

Section 1:

The Agency elects to operate under 29 U.S.C. Section 207(k) of the Fair Labor Standards Act by establishing a seven (7) calendar day work week. The normal payroll week shall begin at 12:01 a.m., Tuesday night and shall continue for 168 hours. The normal pay period shall be two consecutive pay weeks. The normal work period shall be eighty (80) scheduled hours for non-crucial personnel and eighty-four (84) scheduled hours for crucial personnel during a pay period.

Section 2:

Hours worked in excess of eighty (80) hours per work period shall be compensated at the rate of time and one-half (1½) of the employee's regular straight time rate. All employees covered by this agreement may choose to accrue compensatory time at a rate of time and one-half the numbers of hours worked at the employee's option for any hours worked in excess of eighty (80) hours. Compensatory time may accrue up to a maximum of one hundred and twenty (120) hours. Compensatory time may be taken pursuant to Article 20 of this agreement.

Section 3:

Any employee required by the Agency to attend any court, court conference, or other related proceedings, as a witness, or in any other capacity, other than jury duty, for, or on behalf of the County or State, at any time other than during a regular tour of duty, shall be compensated for a minimum of three (3) hours. The employee must provide a form attesting to the required attendance to the Sheriff's Agency. Five dollars

(\$5.00) (or the current Florida Statutorily authorized fee) or other witness fees will be turned over to the Agency.

Section 4:

Any employee required to return to work by a supervisor more than thirty minutes after the completion of his regular shift shall be paid at the time and one-half rate for a minimum of three (3) hours.

Any employee required to report to work prior to their normal starting time shall be paid for the number of hours worked at overtime time rates. In the event a gap occurs between the hours the employee is required to report early and their normal starting time, a three (3) hour minimum shall apply. Any employee required to report to work on their day off for a mandatory meeting, or training, shall be paid a three (3) hour minimum.

Section 5:

All hours of approved training and travel to and from training will be treated as time worked. Time spent at training conferences not in actual training (sleeping, eating or other time not actually in class) will not be counted as time worked. If the attendance is on a regular work day, the employee shall be paid for either their scheduled hours or the actual hours in actual training, whichever is greater. If the approved training is scheduled on a day that the employee is not scheduled to work then the employee shall receive his normal pay and any applicable overtime. If the approved training is scheduled on a day that the employee is not scheduled to work then the employee shall receive their normal pay and any applicable overtime. Authorized lodging, and travel expenses shall be reimbursed consistent with Florida Statutes. Lodging may be authorized for multi day training. Scheduling adjustments may be made so as not to

create overtime, however, such adjustments does not allow the Sheriff to force an employee to take flex time.

Section 6:

Administrative leave without pay shall not be counted in determining overtime. Calling out sick will not count toward time worked for calculating overtime.

However, vacation leave, military leave, compensatory leave, personal leave and holiday leave will count as time worked for determining overtime.

Section 7:

Those employees who are required to be on call shall be compensated at a flat rate of \$10 per week day, \$20 per weekend day (Saturday and Sunday), and \$20 per holiday that the employee is required to be in an on call capacity. This compensation would be in addition to any overtime accrued for a call out during the on call period pursuant to section 4.

Section 8:

Those employees who are required to field phone calls while off duty, who are not subject to on call requirements, will be compensated overtime for actual time in fifteen minute intervals without overlap. The call must be approved by a supervisor.

ARTICLE 11

WORKING OUT OF CLASSIFICATION

Section 1:

A minimum of one detention sergeant or detention corporal shall be required to be working each shift. Each of these ranks shall be qualified as a Detention Shift Supervisor. In the event of a vacancy, any qualified detention deputy who holds either qualification may be assigned as a supervisor. Any qualified line detention deputy who is required to accept the responsibilities of a supervisor for a shift, shall be paid a 5% differential on the deputy's base salary while serving as a supervisor. In the event the Sheriff appoints an employee to an acting position, the employee shall be given an additional 7% increase in base pay for all hours worked while serving in the acting position.

Section 2:

In the event a sworn deputy covered by this Agreement is required to accept the responsibilities of a sergeant or corporal for a period of thirty working days or longer (excluding when the deputy accepts the responsibilities of a sergeant or corporal as a result of the sergeant or corporal taking vacation, sick leave, Military Leave, FMLA, or workers compensation leave) a vacancy in the corporal or sergeant position shall be declared and filled. A vacancy declared under this article will be filled pursuant to Article 29 of this agreement and will require selection of a qualified individual selected from the existing established promotional lists.

ARTICLE 12

EXCHANGE OF TIME

Each employee in the bargaining unit will be allowed to exchange time or "swap" a shift whenever they are able to secure another employee to work in their place. Said "swap" shall be governed as follows:

1. Such "swaps" or exchanges are made only after prior approval of a supervisor.
2. Such substitution occurs within the same payroll period and does not impose additional cost on the Agency with regard to the payment of salaries and wages in the form of overtime or otherwise.
3. The person in charge of the shift in which the substitution takes place be notified one day prior to its becoming effective, except in the case of an emergency, the notification may be made on a shorter term.
4. Approval of swaps will normally be made if the "swap" is for a justifiable reason. The Division Chief will have the authority to deny swaps.

ARTICLE 13

WAGES

1. For each fiscal year of this contract beginning with Fiscal Year 2022-2023, bargaining unit employees will move one (1) step contingent, in accordance with Appendix A, upon adequate County funding and contingent upon the employee receiving a "meets standards" evaluation or better on their anniversary date. The base salaries are equivalent to step 1. The first step increase is on your second anniversary (the start of your 3rd year) to step 2.
2. In the event an employee receives less than a "meets standards" evaluation, they may have the evaluation reviewed by the next level of supervision. The decision of the next-level supervisor is final. Documented proof for the reason that the employee did not receive "meets standards" must be recorded on the employee's evaluation. The employee must successfully complete a performance improvement plan and "meet standards" to move to the correct step.
3. Additionally, at the beginning of each Fiscal Year, bargaining unit employees may also receive a cost of living increase contingent upon sufficient funding from the Board of County Commissioners.
4. Employees who are assigned by the Sheriff to be Field Training Officers and actively serve in that capacity shall be given an incentive of \$2,250.00 on a yearly basis. Employees assigned to be Field Training Officers on a part-time basis will receive an incentive of \$93.75 per pay period when actively serving in that capacity. Incentive pay is only included in 24 pay periods.

5. FCSO employees are limited to one (1) collateral duty assignment specialty pay incentive. If an employee is removed from a specialized unit, the employee will thereby lose their specialty pay for that assignment. Any employee who has been placed in a specialized assignment will receive incentive pay, to be paid per pay period for 24 pays, while performing duties for the specialized unit. All employees in multiple specialized units will receive specialty pay for the unit that is paid the greater amount.

ARTICLE 14

WORKING OFF DUTY

A detention deputy can work off duty in uniform under the following conditions:

- (A) The off duty work must be approved in advance by the Sheriff or his designee. Approval for off duty work will not be unreasonably withheld.
- (B) The hourly rate to be charged any person or organization desiring to contract with a uniformed Deputy will be established by the Sheriff in consultation with the Union; provided that the hourly rate charged such persons or organization for a deputy will be modified at the request of the Union if the purpose of the request is to compete with the City Police Departments or Florida Highway Patrol for available work.
- (C) Employees shall be entitled to a three-hour minimum on any such assignment.
- (D) It is agreed that any such work is solely for the benefit of the individual deputy and is totally voluntary on the part of the deputy. Any off duty work under this Article will not be considered as time worked for the Agency and will not be counted as time worked for overtime purposes.
- (E) The hourly rate for such services to be received by the Sheriff shall be no less than \$40 per hour and the amount received by the employee shall be no less than \$30 per hour; provided, however, that these rates shall become effective upon ratification of this Agreement. - (F) This article in no way effects the arrest powers of detention deputies.
- (G) See Appendix C for off duty rates.

ARTICLE 15

GRIEVANCE AND ARBITRATION PROCEDURES

Section 1: Matters Covered

All workers' compensation premiums are to be paid by the Agency. An employee who is temporarily disabled as a result of an injury received in the course of employment with the Agency shall be entitled to be compensated as described herein and will be assigned to the Human Resources Section for Administrative purposes.

During the first week (7 calendar days), the employee will receive their normal Agency pay check. For the second through the twenty-sixth week of any compensable disability, such employee shall receive eighty (80%) percent of their normal pay. The purpose and intent of this eighty (80%) percent payment is to provide an employee who sustains a compensable injury with an amount of pay that approximates the employee's pre-injury normal pay after taxes. For the purpose of this Section, the normal pay will be the amount of salary, excluding overtime the employee was receiving immediately prior to their injury. The employer shall supplement the amount received from worker's compensation so that the employee receives the total eighty (80%) percent of normal pay payment. The payment under this Article will continue for a maximum total of twenty-six (26) weeks within the two (2) year period following the date of such injury or until the date of medical determination that the employee will be unable to return to duty, whichever comes first. unable to return to duty within said period and the employee will retain his workers' compensation checks. The Agency may, at its option, provide extensions beyond the twenty-six (26) week period limitation as outlined herein. At the termination of the twenty-six (26) week period or the termination of the extension period or upon a medical determination of a nature, which prevents the return to duty, the employee's right to compensation shall be governed by the Florida Workers' Compensation Law and by their entitlement to pension rights and other benefits, if any. Should changes in the Federal

Withholding and FICA/Medicare regulations and laws regarding taxability of Workers' Compensation benefits be enacted, the parties will meet to discuss an appropriate adjustment to the eighty (80%) percent formula in Section 1 of this Article.

Section 2:

After the first 26 weeks of disability, if an employee receiving temporary total or temporary partial weekly indemnity benefits desires to supplement workers' compensation to the eighty (80%) percent level in Section 1 above with accrued but unused sick leave or vacation leave, they may do so by advising the Human Resources Section. The employee's sick leave account and then vacation leave account will be charged the difference between the statutorily established workers' compensation and eighty (80%) percent of the employee's normal pay.

In the event there is more than one employee involved, then another employee union representative may accompany the employee.

Section 2:

The employee's and the Sheriff's rights and obligations under the Family Medical Leave Act will be determined by the statute, applicable regulations, and court interpretations under the Act. In the event the Act requires a benefit greater than the benefits provided under this contract, the Act will apply. In determining leave eligibility, the Sheriff will use a rolling 12 month period measured backwards from the date leave is used. For other than intermittent leave, FMLA absences that exceed five (5) consecutive days will be counted against available FMLA leave, beginning with the first day of the absence.
