

PLAY TO LEARN

(LEVEL 1)

This FUNdamental program is designed to introduce the youngest of golfer to the wonderful game. This program is focused on structured play-based learning to provide each child the most enjoyment in their learning experience and allow for developmentally appropriate introduction of core concepts to the game of golf.

Instruction will involve development of well-rounded necessary physical and athletic capabilities as well as golf-specific skill acquisition. Special child-friendly equipment is used and provides for a safe, child-friendly learning environment.

Each week revolves around a theme to incorporate objectives and concepts into an engaging learning environment and includes discussion on and reinforcement of past week concepts. Skill acquisition progress reports are provided.

* Play to Learn meets 1 time a week on Saturdays for group sessions (6:1 Ratio Max)
