Partnership Program

We would like to offer you a partnership opportunity to assist in providing financial support for the Huron County Foodbank Distribution Center, which will deliver great benefits and exposure for your organization. Please carefully consider this opportunity to serve the greater Huron County with your support. Listed below you will find partnership package descriptions with the benefits listed for your financial contribution. We appreciate your support and consideration. If you have any questions, please contact MaryEllen Zielman at 519-913-2362.

Partnership Benefits and Levels

- Opportunity to display to Huron County citizens your organization's commitment to giving back
 - Portrays your organization as one that embraces diversity and understands the importance of it to our community
 - Enhances company's image within the local community
 - Provides a platform for being socially responsible by neighbours helping neighbours
-
