

Capability Statement

CORE COMPETENCIES

Specialty Home Cleaning LLC is a premier commercial & residential cleaning company that provides efficient, reliable, and affordable cleaning services to the private sector. We utilize multi-use chemicals and qualified personnel to provide quality service at a reasonable rate. We offer complete cleaning services that prolong the life of your building and give you the joy of a clean space while meeting your expectation of a healthy environment.

- General & Detailed Cleaning
- Office and Housekeeping Services
- Green Cleaning
- Change of Occupancy Cleaning

DIFFERENTIATORS

Specialty Home Cleaning LLC is committed to delivering the exact services our commercial cleaning customers want. We listen closely to their needs and build the best partnering relationship possible. We are also committed to acting with honesty and integrity at all times and in all aspects of our business. We provide our customers with a consistent, high level quality of work at a reasonable price.
