

## Kim Pascal

When I can find some spare time, I love to spend it with my Grandchildren ,family and friends. I enjoy walking, riding my bike and reading.

My hero's are Jesus and my Dad.

I have been with the agency since July 2010. In the last 6 years I have had the privilege to set on a Governing board with 17 intelligent ,caring, considerate men and women that I would never of met if it was n't for CAPCIL.

In 1988 I graduated with an associates degree in early childhood. I would never of done that if it wasn't for the Head Start program my son was in. After getting acquainted with the staff I was hired as an assistant in the classroom. I loved it, got my Daycare license and I've been a Daycare provider since 1988.
