- BLIS® (Blind Spot Information System) with cross-traffic alert and trailer coverage
- Enhanced active park assist
- Pro Trailer Backup Assist™

BEST-IN-CLASS⁽¹⁾

EXPEDITION

- 2nd-row and 3rd-row leg room
- 2nd-row hip room
- 3rd-row hip room
- Towing⁽²⁾
- Max. cargo room behind the 3rd-row seats⁽³⁾

EXPEDITION MAX

- 1st-row shoulder room and hip room
- 2nd-row head room, hip room and leg room
- 3rd-row shoulder room, hip room and leg room
- Max. cargo room behind the 2nd-row seats⁽³⁾

⁽¹⁾ Class is Extended Utilities based on Ford segmentation.

⁽²⁾ When properly configured.

⁽³⁾ Cargo and load capacity limited by weight and weight distribution.

REDESIGNED FROM THE INSIDE OUT

Full-size SUV drivers demand flexibility to accommodate passengers, gear or both. The intelligently designed interior of the all-new Expedition meets these needs with the following innovative features:

- 2nd-row 40/20/40 CenterSlide® seats with recline and tip-and-slide feature provide easy 3rd-row access, even with a child-safety seat installed
- 3rd-row one-touch PowerFold® 60/40 reclining split-fold-flat bench seat
- 15 strategically placed cup/bottle holders
- Acoustic-laminate windshield for improved interior quietness

> **Advanced Cargo Manager⁽¹⁾**

- Cargo protector⁽¹⁾
- Choice of Expedition and extended length Expedition MAX
- Fold-flat cargo area
- Hands-free, foot-activated liftgate with liftglass⁽¹⁾
- Panoramic Vista Roof® with power open/close and power sunshade⁽¹⁾
- Seating for eight full-size adults

> **ADVANCED CARGO MANAGER**

- Provides the ability to customize the cargo space behind the 3rd-row seating with a shelf or rear bulkhead
- Shelf mode can be used with 3rd-row seats both up, both down or one up/one down
 - Provides quick access from liftglass to items on the top shelf
 - Supports up to 50 lbs.⁽²⁾
- Rearward bulkhead provides a tall barrier at the rear of the cargo area, preventing items from rolling/falling out
- Standard on Platinum; optional on XLT and Limited

⁽¹⁾ Available feature.

⁽²⁾ Cargo and load capacity limited by weight and weight distribution.

SMART TECHNOLOGY

Redesigning the all-new 2018 Expedition presented the ideal opportunity to integrate the latest available smart features,⁽¹⁾ including:

- Power for every row with up to 6 smart-charging USB ports and a household-style 110-volt/150-watt AC power outlet in the front row
- 360-degree camera with split-view display and front/rear camera washers
- Adaptive cruise control with stop-and-go
- ★ BLIS® (Blind Spot Information System) with cross-traffic alert now includes class-exclusive⁽²⁾ **trailer coverage**

➤ **Dual-Headrest Rear Seat Entertainment System**

- ★ **Enhanced active park assist** with parallel park, park out assist and reverse perpendicular parking technologies
- Forward and Reverse Sensing Systems
- Lane-Keeping System
- Pre-Collision Assist with Pedestrian Detection

➤ **Rotary gear shift dial**

- SYNC® 3 now with Apple CarPlay™ and Android Auto™⁽³⁾
- SYNC Connect (4G embedded modem) with Wi-Fi® Hotspot connectivity for up to 10 devices at one time⁽⁴⁾
- **Wireless inductive charging capability**

(1) Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

(2) Class is Extended Utilities based on Ford segmentation.

(3) Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Requires phone with active data service and compatible software. SYNC does not control third-party products while in use. Third parties are solely responsible for their respective functionality. Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android Auto is a trademark of Google Inc.

(4) Certain restrictions, third-party terms, or message/data rates may apply. 4G network complimentary 5-year subscription for remote features excluding Wi-Fi® Hotspot included, activates with vehicle sale date. Requires compatible 4G cellular network connectivity, and is subject to 4G network availability. Evolving technology/cellular networks may affect future functionality. Wi-Fi® Hotspot includes complimentary wireless data trial that begins at time of activation and expires at the end of three months or when 3GB of data is used.

★ = Class-exclusive⁽²⁾ feature.

EXPEDITION PLATINUM INTERIOR

> DUAL-HEADREST REAR SEAT ENTERTAINMENT SYSTEM

- Includes two 8-inch screens integrated into the rear of the front-seat head restraints
- A pair of wireless headsets can be paired with either monitor
- Video sources include DVD player, HDMI, USB, SD card and via a secure, in-vehicle wireless network
 - Stream content from properly connected iOS and Android™ devices
 - Stream home-based live cable or satellite television via an embedded SlingPlayer™
- Optional on Limited and Platinum

DUAL-HEADREST REAR SEAT ENTERTAINMENT SYSTEM

> WIRELESS INDUCTIVE CHARGING

- Wireless charging pad is located in the storage bin at the front of the center console
- Compatible mobile devices are charged without the need for a cord, helping reduce clutter
- Included in the Connectivity Package standard on Limited and Platinum; optional on XLT

WIRELESS INDUCTIVE CHARGING PAD

> ROTARY GEAR SHIFT DIAL

- Replaces traditional column and console shifters with electronically controlled shifter dial located on the center console
- Turning the dial to the desired gear automatically places the vehicle into the selected gear
- Pressing (M) in the center of the gear shift dial engages SelectShift® Manual mode
- PRND and M (SelectShift Manual mode) are backlit for ease of use at night
- Standard on all models

ROTARY GEAR SHIFT DIAL

READY FOR ADVENTURE: CAPABILITY AND POWERTRAIN

Building on its reputation for exceptional capability, the all-new 2018 Expedition, with the new 3.5L EcoBoost® V6 engine with Auto Start-Stop Technology, is offered in 2WD and 4WD configurations and in regular or extended length MAX. Additional features that enhance capability include:

- 3.5L EcoBoost V6 engine with up to an available 400 horsepower and 480 lb.-ft. of torque
- 10-speed automatic transmission with SelectShift® capability
- All-new high-strength, aluminum-alloy body
- Active Grille Shutter System
- Driver-selectable **Terrain Management System™ (TMS)** with 7 drive modes⁽¹⁾ on 4WD models
- Heavy-Duty Trailer Tow Package⁽¹⁾ includes new electronic limited-slip rear differential (eLSD) and integrated trailer brake controller
- Ready to trailer with ★ **Pro Trailer Backup Assist™**⁽¹⁾ combined with trailer sway control
- Redesigned high-strength steel frame

★ = Class-exclusive⁽²⁾ feature.

⁽¹⁾ Available feature.

⁽²⁾ Class is Extended Utilities based on Ford segmentation.

> PRO TRAILER BACKUP ASSIST™⁽¹⁾

- Provides added driver convenience and awareness when backing a hitched trailer by allowing the driver to “steer the trailer” instead of steering the vehicle
- Activated and operated by the control knob located on the instrument panel to the right of the steering wheel
- Included with the Heavy-Duty Trailer Tow Package

> DRIVER-SELECTABLE TERRAIN MANAGEMENT SYSTEM™ (TMS)

- Allows the driver to select from 5 preset modes on 2WD models and 7 modes on 4WD models
- Enhances powertrain and driving dynamics in a variety of environmental conditions
- Driver can select the desired mode with the rotary control on the center console behind the rotary gear shift dial
