

**GOGEBIC COUNTY ROAD COMMISSION**  
**2019 PULVERIZING AND HMA PAVING SERVICES BID**

Bid of \_\_\_\_\_ (hereinafter called "BIDDER"), organized and existing under the laws of the State of \_\_\_\_\_ doing business as \_\_\_\_\_\*, to the Gogebic County Road Commission (hereinafter called "OWNER").

In compliance with your Advertisement for Bids, BIDDER hereby proposes to perform all work for the construction of 2019 Pulverizing and HMA Paving Services in accordance with the Contract Documents, within the time set forth herein, and at the prices stated below.

**1. NOTICE TO BIDDERS**

**GCRC Bidding Instructions**

The intent of the bid is to include all paving projects scheduled for work in Gogebic County. This includes areas of pulverizing and paving mainline roads that the road commission intends to complete in 2019. All work described below (including Measurement and Payment) shall be as described in the MDOT "2012 Standard Specifications for Construction" (Standard Specifications), except as modified herein.

Additional projects may be added to the proposal by the road commission as they arise throughout the summer. Negotiated cost will be agreed upon prior to any additional work being completed.

**2. DESCRIPTION OF WORK**

**HMA Base Crushing and Shaping**

Contractor is responsible for pulverizing, shaping, watering and compaction.

**HMA Surface Remove**

HMA Surface Remove shall be limited to paved driveways and intersections within the limits of the project. Engineer shall mark the drives for saw cut in order to provide a better transition to the proposed roadway elevation.

**HMA, LVSP**

The work shall consist of HMA, LVSP as shown in the typical sections. The work shall begin at Station 0+00 and run the entire length of the project. The work shall be completed in accordance with section 501 of the Standard Specifications for Construction. Refer to Special provision for Local Paving Project as attached.

1. For mainline paving projects – HMA application rate shall be two lifts at 165#/syd each (330# per syd total) paid by tons.
2. For overlay projects – HMA application rate shall be single lift at 220#/syd total paid by tons.
3. Performance Grade Asphalt shall be PG 52-34
4. Air Voids per MDOT Special Provision for Local Agency Projects 12SP-501J-05.

**HMA, Approach**

The work shall consist of HMA, Approach for paved intersections and driveway along project. The work shall be completed in accordance with section 501 of the Standard Specifications for Construction. Driveways shall be paved in Two (2) course at depth equal to existing but no greater than 3 inches total. Intersections shall be paved in two (2) course at a depth of 3 inches minimum. Overlays shall be paved in one (1) course at 2 inches total.

**Maintaining Traffic, Minor Traffic Devices, Traffic Regulator Control, and Signage**

Contractor shall be responsible for maintaining traffic, minor traffic devices, traffic regulator control and signage for the Contractor operation. Advance warning signage shall be in accordance with MDOT specification for lane closure or as agreed upon by the Engineer and Contractor. Traffic Regulator Control shall be provided during the operation of work with minor traffic devices used during construction and after working hours to provide safe travelable roadway for the public.

### 3. PROGRESS CLAUSE

Start work within ten (10) days after receiving notice of award of the contract or on or before the date designated as the starting date in the Detailed Progress Schedule. In no case, shall any work be commenced prior to receipt of formal notice of award by the department.

#### Completion Dates

All projects shall be completed in its entirety on or before **September 15, 2019**.

The approved low bidder(s) for the work covered by this proposal will be required to participate in a pre-construction meeting with local agency owner and/or department representatives to work out a detailed progress schedule. The schedule for this meeting will be set within one week after the contract is awarded.

The Gogebic County Road Commission will arrange the time and place for the meeting.

The Progress Schedule shall include, as a minimum, the controlling work items for the completion of the project and the planned dates (or work day for a work day project) that these work items will be controlling operations. When specified in the bidding proposal, the date the project is to be opened to traffic as well as the final project completion date shall also be included in the project schedule.

If the bidding proposal specifies other controlling dates, these shall also be included in the Progress Schedule.

### 4. METHOD OF MEASUREMENT AND PAYMENT

Measurement and payment shall be on the basis of the measured square yard, load ticket tonnage or lump sum quantities. The contractor shall measure the area with the Road Commission and submit an invoice for agreed quantity upon completion of all work.

### 5. BID DEADLINE

Sealed bids for the 2019 Pulverizing and HMA Paving Services will be received by the Gogebic County Road Commission, Courthouse Annex, Bessemer, MI 49911 until **11:00 A.M., central time on Thursday, May 23, 2019**. All bids shall be publicly opened and read aloud at said office at that time.

### 6. INSURANCE

The Contractor shall not commence any work until they have obtained and provided a current Certificate of Insurance.

The Contractor shall carry "Public Liability Insurance" coverage to insure the Road Commission against claims arising out of negligence of the Contractor. The insurances shall meet all requirements as shown:

#### **A. WORKERS COMPENSATION INSURANCE**

The Contractor shall take out and maintain during the life of this contract, Workman's Compensation insurance for all of his employees employed at the site of the project and in case work is sub-contracted, the Contractor shall require the sub-contractor similarly to provide Workman's compensation insurance for all of the latter employees unless such employees are covered by the protection afforded by the Contractor.
