Camp Descriptions and Themes:

Daily activities that our campers will enjoy including nature walks, arts & crafts, and indoor/outdoor games focused on the week's theme - plus swimming in our 164,000 gallon pool with life guards on duty. What more could a camper ask for?!

Week 1 – Great Outdoors – June 1-4

This week campers will get to personalize a hiking stick, tie-dye a tee, create flowers, and even identify and paint animal tracks! It will be great to be outdoors!

Week 2 – Critter Week – June 7-11

What has fur, feathers, fins, scales, and slime? Critter week! Themes will give campers the opportunity to learn about different featured creatures while having a wildlife good time.

Week 3 – Just Beachy – June 14-18

Sun catchers and sand sculptures are just the beginning of this camp week. Campers will experience just what makes a beach a beach without a sunburn and getting sand in your car.

Week 4 – Bugging Out – July 5-9

Whether they fly, jump, creep, crawl, or buzz, our campers will have the chance to see, touch, and hear all kinds of insects. No smelling or tasting allowed, unless campers really want to...

Week 5 – Wing Things – July 12-16

Yes, things with wings do fly, but they also eat, sleep, and go through really cool life cycles. Campers will be “busy as bees” while they build feeders, nests, and houses.
