

Harford County Association of REALTORS® 2017 Partnership Program

We are proud to again offer you the opportunity to join our Partnership Program.

The Harford County Association of REALTORS® Partnership Program is designed to provide a unique partnership between the HCAR® network of over 1,300 members and your business. As a partner, your company will develop new business contacts and gain visibility within the real estate industry and our community.

REALTOR® members of HCAR® are in contact with thousands of clients and customers every day throughout the Greater Harford County area. The HCAR® Partnership Program will assure you get maximum exposure at HCAR® events and activities. Choose the level that provides your company the preferred exposure and combined benefits at a cost that is substantially less than the individual sponsorships. For a low annual fee you will obtain exposure to HCAR® Annual Membership Meeting and Awards, Trade Show, Seminars, Fundraisers, Networking Events, Special Events, Education Programs, e-Newsletters and ALL Printed Publications throughout the entire year!

The HCAR® Partnership Program can help your company with the competitive edge it needs in today's real estate market.

The Partnership Levels are limited and awarded on a first-come first reserved basis. The Partnership benefit year will begin on the first of the month following the receipt of the Partnership Agreement and Payment through January of the following year. Current Partners have the first option to continue their partnership level annually.

The following is more detail about our Partnership Program.

We look forward to working with you and your firm during the years ahead. Please call me at 410-569-0750 if you have any questions.

Sincerely,

James Garnett
Chief Executive Officer
