DESCRIPTION: This is a really nice bow. The Bengal was a Ben Pearson model that was made for large department stores, in this case Montgomery Wards Western Field archery line. Similar design as the Pearson Spectre and Hunter II models. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in excellent condition. Overall, this is a really nice bow in excellent condition for its age.
