

Children and Youth

I am honored that Madam President has asked me to be the Chairman of the Department of Arizona Children and Youth Committee. My name is Katie Wojahn, I am the President for Unit 115. I have been a member of the American Legion Auxiliary since 2014 and have held different offices at unit level and I was District 11 Historian.

I am extremely excited to be involved with the Children and Youth activities for our upcoming year. I am looking forward to see what events and activities the district and units come up with. This is going to be a great year for us learning together, educating each other and supporting the ALA programs we have available. Each month I am going to work on highlighting a few programs and to give possible activities and events that we can do with our Juniors and the children of the communities we are a part of.

We have several resources that are available to support our events and programs. The auxiliary offers the Good Deed awards and Certificates, Hero Stickers and Buttons, the Junior Patch Program, ALA coloring books, brochures, ceremony instructions and Facebook pages to help, of course more information on these can be found on the national website ALAforVeterans.org.

Please feel free to contact me with any comments, questions, suggestions of anything that can help to make our Children and Youth program Successful for the upcoming year.

For God and Country,
Katie Wojahn
Children and Youth Committee Chairman
