T-shirts and dash plaques for all entrants. **PLEASE REMEMBER TO BRING YOUR EMAIL (printed or on your phone)
- IT WILL BE CHECKED AT THE ENTRANCE GATE**

When choosing a class, please study the options carefully. Classes 3-15 are for stock cars equipped as they came from the factory. If your car has been modified, it should be entered in class 17, 18, 19 or 20. Class 21 is High Performance Stock (Muscle Car) factory production. If you are uncertain as to which class best fits your vehicle, please call the head judge listed on this registration form. The head judge reserves the right to re-classify your vehicle and/or has the right to combine classes prior to or on the day of the show.

Over the years, Venice AACA has supported various area charities and higher education including contributions of \$100,000 to area high school students seeking advanced education. Your participation in this show makes our contributions possible. We could not present this show for all the participants without the help of our many show sponsors listed on the back of this form. Please consider supporting these fine companies when purchasing products or services.

We expect a sellout like in 2019 (pre-COVID-19), so send your entry form as soon as possible. Pre-registration closes March 11, 2022. We are limited to 250 vehicle capacity. All vehicles must be parked by 10:15AM to be eligible for judging. Entrance gate will close at 10AM. **IF SHOW SELLS OUT, IT WILL BE POSTED ON OUR WEBSITE**
