September, 1977 Vol. VII No. 7

Kevin Zimmer, Editor

NOTE: Due to various unavoidable problems, this issue of the newsletter is both brief and late. A special effort will be made to get a full-sized bulletin out in early October

REGULAR MONTHLY MEETING, Monday, September 19, 7:30 p.m., El Paso Garden Center, 3105 Grant

Kevin Zimmer will present a slide program on birding in Texas and adjacent western states.

Saturday, September 24, Bob Bleicher will present a slide show on bird identification at the El Paso Garden Center (3105 Grant). The show will run from 8:30 a.m. to 9:00 a.m., and will be followed by a brief field trip through Memorial Park. This program is being done to attract new members. Audubon members are encouraged to attend to help out.

FIELD TRIP: Saturday, October 8, 7:00 a.m.

This will be a half-day trip starting at the Ft. Bliss Sewage Ponds. Shorebird and waterfowl concentrations should be good. Then we will go to Tom Mays park to look for desert species. The group will leave from the parking lot of the Barcelona Lumber yard (Fred Wilson and Railroad) at 7:00 a.m.

AUDUBON FILM SERIES:

We will begin our film-lecture series with an excellent film on Big Bend National Park on Monday, October 17. The film will be shown in the Union Theater at UTEP at 7:30 p.m. All members and the general public are encouraged to attend. The film is a real gem, and gate proceeds will go in part to our treasury. More details will be announced in the next newsletter.
