**Re: Emerald Hills Regional Park, Artificial Turf Field
Sherwood Park, Alberta**

On behalf of Strathcona County I would like to thank you and everyone at GTR Turf for your companies expertise and exceptional attention to detail that were on display while installing the PowerBlade Elite 45-S at the Emerald Hills Regional Park.

Your team went above and beyond what was expected in assisting the General Contractor with attaining planarity on the base structure. Without your company's flexibility, patience and knowledge, this project could have seen some major delays.

We have had the Turf Field FIFA 2 certified for 2 years now and I have received nothing but positive feedback from the facility staff regarding your ongoing support and guidance with their maintenance training and questions. We have also had lots of positive feedback from the user groups and public regarding the performance of the PowerBlade Elite 45-S product.

I thoroughly enjoyed working with your team on this project and look forward to future opportunities to do so again. I would not hesitate to recommend GTR Turf to anyone looking to install an Artificial Turf Field.

Sincerely,

Tyler Hanson C.E.T, L.A.T
