ADDITIONAL REQUIREMENTS

For entry into BISAK for Nursery and Reception pupils

As a part of the assessment process, Nursery and Reception children must meet the additional following conditions. Please sign this form to acknowledge that you have read and understood these conditions and will ensure that these requirements are met prior to your child gaining acceptance as a student of the school. Your child's enrolment at BISAK may be compromised by not meeting these requirements.

- I understand that my child must be TOILET TRAINED and will be able to attend her/his own needs prior to commencement at school. I understand that nappies are not acceptable at school. I understand wet wipes are not acceptable in school.

- My child can understand simple instructions given in English. My child can communicate back to the teachers in English.

- I will ensure my child is independent so that he is able to dress and undress her/himself. The school suggests simple things, such as shoes with Velcro fastenings until she/he can tie their own laces or undo buckles.
