### SHARON MODEL A DAYS JUNE 6th

The Rockford Model A Club will again be participating in the Sharon Model A Days and they will have their tent and table set up. We have been privileged to be invited to participate with this event for several years now. SO, they might need some help with manning the table for things like the 50-50 Raffle and other sales and we should strongly think about helping out with this task. It is usually only a 2 hour shift kind of thing and fun. A list will be forthcoming in the next newsletter.

## SHED WORK

On Saturday, April 10th, a small work party will remove and collect Little Hershey signs from our storage shed for the purpose of updating them to reflect our new location. This is not an event for all members, but if you wish to help, call Dave Lantz. It will not take very many folks and it should be a quick job.

**LITTLE HERSHEY**

It will be a bit different this year, which is no surprise. We have some different jobs to do that are aligned with the Covid 19 requirements imposed on gatherings like ours. Some jobs will have us checking and recording our own temperatures every 2 hours because we are the "crew" that is interacting with the public. This is no big deal, just a nuisance, but at this time still a requirement. As other requirements develop - or go away - we will adapt.

I will be calling everyone to get a work schedule together, so please be ready to volunteer.

This is going to be a super Little Hershey. There is a lot of pent-up demand for something like this right now. You know it; we are all ready to get out and start doing some fun things.

**TOURING SEASON**

It's not too early to start thinking about this years tours.

DO YOU HAVE A DESIRE TO SEE **SOMETHING SPECIAL**? Sign up for tour chair.

Also, it is not too early to start thinking about your car. GET IT ROAD READY NOW. Do you need to order some parts or perform some specific repair? Get it done and be ready for the next tour.

Folks we want to think the good thoughts for and keep in our prayers. This is also a good time to give prayers for our veterans and first responders and for that matter, this nation.

Joe Maurer: The latest on Joe is that he went home on March 14th to continue his slow recovery. Give him a call and wish him well. Joe's cell phone number is: 815 - 541 - 9237.

Betty Clifton is still dealing with a sore back and will have surgery in April to correct it. See Club Minutes. Let's keep her in our thoughts and prayers and give her a call.

## **JOKES - RANDOM BITS - QUOTES, JOKES, ETC.**

- A farmer was driving along the road with a load of fertilizer. A little boy, playing in front of his house, saw him and called "What've you got in your truck?" "Fertilizer" the farmer replied. "What are you going to do with it?" asked the little boy. "Put it on strawberries" answered the farmer. "You ought to live here" the little boy advised him. "We put sugar and cream on ours".
- A little girl was sitting on her grandfather's lap as he read her a bedtime story. From time to time, she would take her eyes off the book and reach up to touch his wrinkled cheek. She was alternately stroking her own cheek, then his again. Finally she spoke up, "Grandpa, did God make you?"  
"Yes, sweetheart," he answered. "God made me a long time ago."  
"Oh," she said. "Grandpa, did God make me, too?"  
"Yes, indeed, honey," he said. "God made you just a little while ago."  
Feeling their respective faces again, she observed, "God's getting better at it, isn't he?"
- The Last Word: If a cow doesn't produce milk is it a milk dud or an udder failure?
- Do you know what stinks about a pirate ship? The poop deck.
- How much did the pirate pay for his peg and hook? An arm and a leg.
- Due to a water shortage in Ireland, Dublin swimming pools have Announced the closing of lanes 7 and 8..
- Paddy thought his new girlfriend might be the one, but after looking through her knickers drawer and finding a nurse's outfit, a French maids outfit, and a police woman's uniform, he finally decided if she can't hold down a job, she's not for him.
- Bonus Fact:  
During the start of the Civil War in 1861, John Lincoln Clem attempted to enlist in the Union Army at the age of 9. After being rejected once, Clem succeeded in joining the 22nd Michigan Volunteer Infantry, who sawed down his musket to make it more kid-friendly. Clem was promoted to sergeant and became a national hero before his discharge in 1864 at the age of 12. He rejoined the US Military in 1871 and went on to become a major general before his final retirement in 1915.
- The Last Word: Not to brag, but I just went into another room and actually remembered why I went in there. It was the bathroom, but still...
- It's the good girls who keep diaries; the bad girls never have the time. - Tallulah Bankhead
- **And finally:** Those who get too big for their britches will be totally exposed in the end.
