REACTer Editor – John

1. Pending publication after the FITT AAR is completed and the President's article is received.

Webmaster – Per (Not present)

1. New Comm Plan was submitted by John for posting.

New Business:

1. New Membership Inquiries:
 - a. No response from the three individuals who left their contact information on the SW REACT website. John recommends one more attempt to contact them.
2. Descanso Horse Ride: June
3. Terry Howe was referred to ARES to support her ride as the date of her event conflicts with an approved REACT event.
4. Western Days Parade: June

- a. George Reeves is the designated coordinator for this event. There will be a second organizational meeting prior to the 4/25/26 event.
5. Responding to Events:
 - a. Remind the membership to contact Event Organizers should they be unable to make an event they signed up for.
 - b. John recommends this be added to the “Standing Reminders” section of the Event Briefing.
6. Volunteer Organizations Active in Disaster (VOAD) – June
 - a. Membership is \$50/year. REACT has been a member for years. However, since SW REACT has not provided community services to any of the other groups, assisted in disaster operations, etc. It was motioned by June to not renew membership dues but will continue to support the VOAD’s efforts and member organizations. Seconded by John. M/S/C.

Training Moment: Mike

1. Mike suggested discussion of phone apps that are useful for emergency services for the next general meeting.

Completed Events:

- 1) FITT: John
 - a. John was able to find the list of participating cyclists on the FITT website. This could be helpful in determining the number of laps each cyclist is riding in the future.
 - b. John discussed the findings of the simplex VHF testing around the perimeter of Fiesta Island that he and Mike did on March 27 and the implications for future FITT events.
 - c. Doug, the FITT director, put up a sign warning pedestrians off of the pavement. However, when a runner was on the pavement, he was warned and responded by assaulting one of the FITT volunteers. John suggested we not confront runners running on the pavement because of that incident.

Upcoming Events:

1. Campagnolo San Diego Gran Fondo: 4/19 coordinated by Mike
2. Lakeside Western Days Parade : 4/25 coordinated by George

Good of the Team: No discussion.
Adjourned: 7:47pm.
