“HOW DO YOU LOVE?”

Genesis 32, 33 – Esau and Jacob.

Hearing God:

Wrestling with God:

Obedying God:

Blessed by God:

God **IS** Love:

Eros is romantic love.

Storge is family love.

Phileo is love for friends.

Agape is unselfish love that gives of itself and expects nothing in return.

Agape love offers forgiveness, acceptance and reconciliation.

- “The brain sees imagination the same as reality.”
- Distance creates suspicion.
- Love creates unity.
- God is Agape Love.

How do you love? How much God... Agape... is released in your life?
