KIWANIS & NICOLET SCHOOL 3rd GRADE OUTING at GBASO on March 13, 2024

If you wanted to experience two hours of pandemonium, then our skatepark visit was the place for you to be today! We hosted about 50 Nicolet School third graders at Green Bay Action Sports (GBASO) and introduced them to skateboarding, bingo, and construction of leprechaun traps. Kiwanis members Anne, Pat, Rick, Ann, and Shane joined GBASO staff, Nicolet teachers and parents in overseeing the very active kids. In the midst of all the craziness, we weren't even able to pause for the pizza lunch. The food went back to school on the bus!

The students seemed extremely excited about learning to ride a skateboard. They definitely had the right instructors, the staff at GBASO are talented, friendly, and eager to teach. We witnessed many falls, but thankfully no injuries!

Hard work by a number of people made this day happen. Huge thanks to Anne for putting it all together and for the endless hours it took her to organize and create the leprechaun trap materials. Ann oversaw the bingo games, Pat patiently waited for the pizzas, and Shane generously opened his doors for us and made his staff available. We'll be back next year, I predict!

Please mark your calendars for our April 1 and April 15 lunch meetings at the Hyatt Regency. Have a happy Easter everyone!
