

The mission of ElderCare of Alachua County is to be an advocate for the elderly and provide services that build capacity, maximize independence, and enrich the quality of life for seniors in Alachua County.

Dear Friends,

ElderCare of Alachua County would like to personally invite you to participate as a sponsor for the 9th annual Moonlight and Martini's Gala, benefitting Al'z Place a program of ElderCare of Alachua County. This year's gala will again take place at the Mercedes-Benz Dealership, and will be on February 1st, 2020.

Now established as one of Gainesville's most popular galas, our sponsors have a great time while raising both awareness and money for a great cause: assisting with increasing needs of those diagnosed with Alzheimer's disease.

All net proceeds will benefit those diagnosed with Alzheimer's or other forms of dementia in need of day care as well as help provide caregiver respite and support.

Please take a minute and review this packet. Please consider being a sponsor for this event and fill out the attached form or contact Isaiah Brinza, coordinator, at 352-265-9290. You may also buy tickets for this event at www.moonlightandmartinis.org.

Thank you in advance for your continued support.

Sincerely,

Anthony Clarizio

ABOUT THE CHARITY

ElderCare of Alachua County is the lead agency for senior services. They receive Federal, State, Alachua County, City of Gainesville, and United Way dollars to provide the many services that are so needed to seniors. Additionally, ElderCare relies heavily on private donors and fundraisers to maintain and expand its current services. Those services include programs like Meals on Wheels, Al'z Place (Adult Daycare), Independence with Low Vision, and home and community-based services such as homemaking, personal care and respite. ElderCare also provides the Freedom in Motion program which in partnership with the City of Gainesville, Chamber of Commerce and Uber provides affordable transportation for seniors. In addition, we also operate the Senior Recreation Center which now has more than 7500 members.
