Thank you for your follow up emails. At our meeting, Mike Nerheim and I agreed we would reach out to IDNR's Captain Scroggins to see if he would be willing to more widely disseminate his October 2013 letter concerning the IDNR's position to the various HOA representatives who could then share it with their respective members. To that end, I forwarded the spreadsheet you had emailed to me on to Captain Scroggins and asked that he resend the letter. He resent his letter out to the persons he identified from the spreadsheet as being HOA representatives and he confirmed to me that the letter went to the following people:

Jill Mager ( Eastshore Improvement Assc.)

Peggy Trelford ( WLCCA, WLIA)

Sara English ( WLIA)

Peter Dziadus (Tanneron Bay)

Dave Bond (WLCCA)

George Hoefle ( Silverleaf Glen)

Robert Quedens ( Cambridge at Holiday Park)
