

CAPABILITY STATEMENT

Island Green Associates LLC (dba IG Associates) is an investigations and security consultancy established in 2015, proactively preventing targeted violence and protecting people, assets and reputations. Services include investigations and investigative training; insider threat program development; workplace and campus violence prevention and training; security assessments; protective intelligence and behavioral threat assessments; risk mitigation and threat management; law enforcement training and technical support.

CORE COMPETENCIES

INVESTIGATIONS

Quality investigative services including: fraud prevention and detection; financial crimes investigations; national security background investigations; misconduct investigations; and due diligence.

THREAT ASSESSMENT

Preventing targeted violence on campuses and workplaces through behavioral analysis, risk mitigation and threat management; threat assessment team training; insider threat prevention.

SECURITY CONSULTING

Vulnerability and security assessments designed to improve physical security, enhance personal protection, defend against targeted acts of violence and enable SAFETY Act designation by the US Department of Homeland Security.

LAW ENFORCEMENT TRAINING

Instructional development, delivery, curriculum review & revision; critical incident response training; policy review; gap analysis; job task analysis; comprehensive preparation & guidance for accreditation & compliance assessments.

DIFFERENTIATORS

Proactive. Prevention. Protection. Preparedness. Our approach is based on decades of experience protecting our nation's leaders, assets, property and financial systems with a focus on the prevention of violence, fraud, waste, abuse, corruption and mismanagement.

We have developed, delivered and managed dynamic and professional training to diverse adult audiences within the **US Secret Service, Council of the Inspectors General on Integrity and Efficiency, US Department of the Interior & Federal Law Enforcement Training Centers**, and led successful accreditation efforts at the **US Secret Service, the Inspector General Criminal Investigator Academy, the Department of the Interior and the US Courts' Federal Probation and Pretrial Academy.**

PAST PERFORMANCES

- **US Department of the Interior (DOI), Office of Law Enforcement & Security (SUB)**, achieved FLETA accreditation for DOI program, Federal Law Enforcement Training Center contract #HSFLGL-15-P-00239, August 2015 - November 2016.
- **US Department of Homeland Security**, Contract Special Investigator conducting national security and public trust background investigations of ICE & CBP applicants, contractors and employees, July 2017 - Present.
- **Pretrial Services Agency, District of Columbia**, Investigative Support Services, (PRIME) BPA 959P0019A0001, December 2018 - December 2023.
- **Major League Baseball**, Security assessments of twelve Major League baseball stadiums, including comprehensive reporting on analysis of security operations and capabilities, formal risk ranking and compliance rating, 2016-2017.
