When doing your holiday shopping for your pets, check out Pets Supplies Plus located on Buffalo Rd in Harborcreek and look for our flyer in your bags! We are thankful for their help with spreading awareness about puppy mills!

HUGE NEWS!

California is the first state to make it illegal for pet stores to sell puppies (as well as cats and rabbits) from commercial breeders, making it the first statewide stride towards ending sales supporting puppy mills. Prior to California's state ban, 230 cities and counties have already made the decision to sell rescues only.

Let's add Erie to the list!

EPMA helped out at the annual Trunk or Treat event at Mercyhurst passing out candy and informational cards to kids. It was a great turnout!
